End Fruit Sales Probe
OTTAWA, Oct. 7.—The field investigation into the alleged combine in fruit marketing is understood to be practically completed, but it is likely to be some weeks before Commissioner Lewis Duncan presents his report. The Nash chain of fruit houses, which is under investigation, has its head office in Winnipeg and has connections in all parts of Canada, except the Maritime Provinces. The existence of

CAN YOU ANSWER THESE QUESTIONS?

Victoria Insurance Agents Commence Campaign of Education on "Fire Prevention"

"PREVENTION IS BETTER THAN CURE"

Members of the Victoria and District Fire Insurance Agents' Association started yesterday in connection with "Fire Prevention Week" to distribute reasons why every Canadian owes the duty of fire prevention to himself or herself, and to his or her neighbors, community, country and Empire.

One ounce of prevention is better than a pound of cure, they are pointing out, and they are laying special stress on the fact that it is the duty of every man, woman and child to remove all cause of danger. The agents have evolved the following list of questions which, they maintain, everyone should be able to answer:

Do you use safety matches?

Are walls, ceilings and partitions with tile, stone, brick, concrete or metal, so as to prevent them taking fire from the heat?

Are walls, ceilings and partitions similarly protected in all places where they would be exposed to high temperatures in the event of overheating of stoves or furnaces?

Are chimneys built on the ground, or on brackets? Are they in good repair? Have flues been cleaned for winter?

Are stovepipes passing through partitions properly protected? Do stove pipes extend to the roof, or are they in contact with anything combustible?

Is the use of gasoline forbidden inside your house?

Have you any fire extinguishers? Do all members of your family understand their use?

Do you know where the nearest fire alarm box is? And the telephone number of the fire department?

HEALTH OFFICER TO INVESTIGATE CASES

Dr. J. S. McCallum Will Render Monthly Report to Quinquennial on Indigent Patients

Dr. J. S. McCallum, Esqumalt's Medical Health Officer, and representative of the district on the Jubilee Hospital Board, will in future receive notification of all indigent or likely to be indigent patients admitted to the hospital from Esquimalt, will personally investigate all such cases, and will render a monthly report to the hospital board. He said that the hospital accounts that the taxpayers were called upon to pay because of these indigent cases were getting tremendous, and some effort must be made to put a check to the ever increasing expense.

Reeve Lockley observed that the condition would be worse if the Hospital Board succeeded at the next session of the Legislature in having the word "indigent" eliminated from the Hospital Act.

That a stop should be made in connection with indigent cases sent to the hospital when such hospital treatment was not necessary was Councilor Meagher's opinion.

Dr. McCallum pointed out to the Council where they could reduce the expense, and averred "you are in any case getting off badly, but not as bad as if you had a hospital of your own."

Councilor Head urged that the Council engage a collector to try and secure payment from persons classified by the hospital as indigent.

The Council has sent out letters to persons concerned, but has succeeded in only collecting \$50, while \$700 is outstanding in accounts. The Council will go over the accounts before taking any further action.

FLETCHER'S TO RADIO POPULAR PROGRAMME FROM CFCT TONIGHT

The radio programme to be broadcast by Fletcher's tonight over CFCT this evening will be a departure from the regular concert programme, and will be a popular night. Oscar Danne Orchestra, always popular with dance enthusiasts, is contributing a large part of the programme in fox-trots and waltzes by the full orchestra, also band and solo piano solos by the different members of the orchestra. Among the piano solos will be "Rippling," a composition by Professor Oscar himself, which has made a great hit wherever it has been heard. Bert Zala, also well known as a tickler of the keys, will contribute piano solos.

An interesting part of the programme will be provided by Mr. and Mrs. Harold Groves, society entertainers. Mr. and Mrs. Groves have been in considerable demand for local society events, and are unique in the character of their entertainments. Mrs. Groves will be heard in several popular songs, and will support Mr. Groves in interesting and amusing numbers in the way of humorous monologues. Many who have had the privilege of hearing Mr. Groves on a previous radio programme will look forward to an evening of rare enjoyment, which with numbers presented by Prof. Oscar's Orchestra, promises a treat to all radio fans.

Assaulted and Robbed
TORONTO, Oct. 7.—Going down into her cellar to get a bottle of milk, Mrs. Ellen Graham, 58, was assaulted by an unknown man who was concealed there and who successfully made his escape with \$3,000 worth of jewelry and \$144 in cash.

BABY'S OWN SOAP

Best for Baby Best for You

THE particles of pure vegetable oil which are rubbed into the open pores of the skin with the creamy fragrant lather of Baby's Own Soap renew the life of the skin—help nature along. It assures a soft, white, healthy skin and its use delights both young and old. Baby's Own is for sale almost everywhere.

Only Slight Decrease In School Attendance

Figures Issued by School Authorities Show Population of City Does Not Dwindle So Fast as Pessimists Declare—Only Seventy-Three Fewer Pupils in Attendance During Past Month Than in September, 1923—Attendance at Victoria College Grows

THE slight decrease in school attendance this year, as shown by figures issued at the School Board office, hardly lend support to pessimistic utterances to the effect that the population of the city is dwindling rapidly.

While attendance at the Victoria High School and the graded schools of the city has diminished this year by 73 as compared with the figure for last year, the attendance at the Victoria High School has grown from 145 in 1923 to 173 this year. There are 133 students in the freshman year at the college and 35 in the sophomore class.

had discovered the marks of skidding tires evidently made by the two wheels on the right-hand side of the car. The marks extended for forty-five feet on the pavement. He believed that the car had been traveling on the wrong side of the road and at a high rate of speed.

Chief Fry, from his observations made at the scene of the crash, was of the opinion that the occurrence was due to neglect on the part of the driver. Mr. Tanqueray had told him, he said, that he had been traveling at twenty-five miles an hour when the crash occurred. The witness said that when found, Mr. Wood clutched a match-box in his left hand.

Mr. Tanqueray, called to the witness stand, objected and gave his testimony under protest. The crash had occurred, he said, when Mr. Wood, who was driving, had a match and held it in front of his, Mr. Tanqueray's face, to light a cigarette. The flare of the match had temporarily blinded him, he said, and in that moment the car swerved and the crash occurred.

He had been pinned under the car for an hour, he thought, before he succeeded by his cries in attracting help. He thought the crash had occurred between 1:30 and 2 o'clock. The road was clear and without traffic at the time.

OBITUARIES
JENKS—The remains of the late Joseph Jenks are resting at the Thomson Funeral Home, 1425 Quadra Street, from where the funeral will take place this afternoon at 2:30 o'clock. Rev. Dr. Clem Davies, of the City Temple, will conduct the service, after which the remains will be laid to rest in Ross Bay Cemetery.

BENNETT—The funeral of the late Thomas Bennett, who passed away at his ranch home, Mayne Island, last Friday, was largely attended by relatives and friends, Monday, at the family residence. The number not only from Mayne Island, but from all the Gulf Islands and the mainland, testified to the high esteem in which the late Mr. Bennett was held. Many flowers covered the casket, which was carried to the churchyard cemetery by the deceased's four sons, namely, Messrs. Thomas, David, Frederick and James Bennett, and two sons-in-law, Messrs. Porter, Garlick and R. Colston. The services were conducted by Rev. Mr. Porter.

WOOD—The remains of the late Mr. George Llewellyn Wood are resting at the B.C. Funeral Chapel, whence the funeral will take place Thursday morning at 11:45, proceeding to St. Andrew's Cathedral, where mass will be celebrated at 9 o'clock. Interment will be made at Ross Bay cemetery.

HALL—Service for the late Mrs. Elizabeth P. Hall will be conducted this afternoon at 3:30 in the chapel of the B. C. Funeral Company. Rev. R. Hibbert will officiate and interment will take place at Ross Bay cemetery in the family plot.

HIN—The funeral of Look Hin will leave the B. C. Funeral Chapel on Thursday at 1 o'clock, proceeding to the Chinese cemetery where interment will be made.

MEARNS—The remains of the late Mrs. Jane C. Mearns are resting at the B. C. Funeral Chapel where service will be held this afternoon at 2 o'clock. The remains will be laid to rest at Royal Oak Burial Park.

SPENCER—Service over the remains of the late Mrs. Annie Spencer, who passed away last Friday at Port Moody, will be held Thursday afternoon at 3 o'clock in the B.C. Funeral Chapel. Interment will be made in the family plot at Ross Bay cemetery.

LEWIS—The funeral of the late Frederick T. Lewis took place from the B.C. Funeral Chapel yesterday afternoon at 3:30, where service was held by the Rev. Wm. Elliott. There was a very large gathering of friends and many beautiful floral designs covered the casket and hearse. The hymns sung were "Safe in the Arms of Jesus" and "Rock of Ages." The following acted as pallbearers: Messrs. V. Jones, R. T. Kipling, R. B. Mathews, J. E. Sanders, H. R. Smith and H. S. Hurn. The remains were laid to rest at Royal Oak Burial Park.

Drug Peddler Sentenced
VANCOUVER, Oct. 7.—Eileen Lahy, arrested September 30 in a sensational drug raid, was sentenced to serve six months in jail with a fine of \$200 or a further two months in police court this morning. Eileen was arrested in company with "Sam King, known as "Cocaine Sam," whose case was remanded to tomorrow. Through her counsel, Eileen, a pretty girl, asked for an opportunity to return to her home in Seattle.

ASK TAX DECREASE ON B.C. FISHERIES

EXECUTIVE COUNCIL WILL CONSIDER REPRESENTATIONS

Commissioner Points Out That Fisheries Were a Public Asset of the Province

Representations made by British Columbia canners for a reduction in taxation levied against the salmon fishing industry, will be considered by the executive council prior to the meeting of the Legislature on November 3, according to a promise made yesterday by Hon. William Sloan, Commissioner of Fisheries, to a delegation which met him at the Parliament Buildings yesterday. The delegation was composed of Messrs. C. H. Todd, Charles Goodrich, H. Bell, Irving, A. O. Goss and Hugh Dalton.

The following schedule of reductions was requested: Cannery licences from \$200 to \$100; purse seine licences from \$50 to \$20; drag seine licences from \$25 to \$10; tax per case pack from four to two cents.

The delegation argued that material reductions made by the Federal Government should be followed by similar action on the part of the Provincial authorities.

Mr. Sloan pointed out that the fisheries were a public asset, and that those drawing upon that resource should pay. He said there was no comparison, possible between Federal and Provincial taxation in this connection, expressing the view that the Dominion authorities should not levy taxes on Provincial fisheries at all.

He said he had been trying to aid in the conservation and promotion of the industry. He regretted the depletion of the salmon fishing industry in the Fraser River system, and said this now seemed a matter for the United States Senate.

TO TEACH FORESTRY IN UNIVERSITY UNIT

Construction of Laboratory Building Will Be Commenced in a Few Weeks

A forest products laboratory will be contained in the new unit of the University of British Columbia, construction of which will start in a few weeks, according to an announcement made yesterday by the Provincial Public Works Department following a conference between department officials and President Kinloch, of the University.

The site of the new laboratory has not been decided yet, but it will be large and of a semi-permanent type. The laboratory will be used widely in the education of forestry experts.

While in Victoria, President Kinloch conferred also with Hon. J. D. MacLean, Minister of Finance, on the University's annual budget. After this conference it was made known that the budget, despite a substantial increase in the University registration, would not be much larger than that of last year.

The name of the new Government subdivision adjoining the British Co-

City and District

500 Party Saturday—A military 500 party will be held on Saturday evening at the Temperance Hall, Keating.

Will Hold Rummage Sale—The Fairfield Ladies' Aid will hold a rummage sale tomorrow afternoon at 2 o'clock in the vacant store next to the Fire Hall on Cornsant Street.

Will Begin Drill—No. 2 Company, 11th Divisional train will commence their regular drills tomorrow evening. Arrangements will also be made for boxing and swimming.

Rummage Sale—The ladies of the First Presbyterian Church are holding their Autumn rummage sale in the schoolroom of the church on Friday morning.

Junior Institute Meets—The regular monthly meeting of the Junior Institute Club of South Saanich will be held on Thursday afternoon at the home of Miss P. Gail, Stelly's Cross Road.

Sixteenth Scottish—A meeting of officers of the 1st Battalion of the Scottish, will take place at the Drill Hall on Thursday at 8:15 p.m. The commanding officer desires a full attendance. The dress will be plain clothes.

To Entertain Delegates—The Esquimalt Women's Institute will hold a social for the District Conference delegates at the Harvest Home supper in the new assembly hall of St. Paul's Church, Esquimalt, on Friday evening at 6:30.

Garden City W.I.—The Garden City Women's Institute will hold a "500" drive of the Winter series last Friday. Mrs. Wardman and Mrs. Lynn captured the first prize; Miss Gurnett and Mr. Gibson the consolation awards.

Canadian Club—The Victoria Canadian Club has been advised through Mr. William J. Ives, former president of the Liberal Association, that Hon. W. L. Mackenzie King, Prime Minister of Canada, will be unable to accept its invitation to address a club luncheon on October 17.

Women Conservatives—The Women's Conservative Club will hold its opening meeting of the Winter Friday, at 8 p.m., in the Pemberton Building. Members are requested to attend as arrangements will be made for the Winter's functions at this gathering.

Engineering Institute—The regular meeting of the Victoria branch of the Engineering Institute of Canada will be held at 8 o'clock this evening at 23 Brown Building, Broad Street. Discussion on "British Columbia Damns" will be opened by Messrs. E. Davis and C. G. Marriott.

Harvest Supper—The St. John's branch of the Girls' Auxiliary will join with the Women's Auxiliary to Missions in serving a harvest supper on Tuesday, Oct. 14, at 6 p.m., in the St. John's schoolroom, Mason Street. A large attendance is hoped for. The proceeds will go towards the Columbia Coast Mission fund.

Harvest Festival—Harvest festival ceremonies will be held at St. Barnabas Church tomorrow. Holy communion will be held at 8 a.m. and 9:30 a.m. Evening service will be at 8 o'clock, when Archdeacon Laycock will preach. After the evening service the Ladies' Guild will hold a social gathering in the schoolroom.

St. Andrew's Orchestra—Next Friday evening at 8 o'clock the St. Andrew's Presbyterian Orchestra, under the direction of Mr. Jesse Longfield, will resume rehearsals in the church schoolroom. All members are asked to be present. New members wishing to join will be made welcome.

Native Sons and Daughters—Native Sons and Daughters of British Columbia will hold an informal dance at the Alexandra House on Tuesday evening, October 28, when dancing to the strains of Orzard's orchestra will take place from 9 to 1 a.m. Supper will be served during the evening and a number of old-fashioned dances will enhance the charm of the affair.

Esquimalt Liberals—The Esquimalt Liberal Association last night decided to hold its annual general meeting on Tuesday evening next, October 14, at 8 o'clock, in Kent's Hall. Business will include the election of officers and consideration of reports of past year's work, as well as laying plans for the Winter programme.

Weekly Dance—The weekly Monday evening dance held by the Royal Review, No. 18, W.B.A., at the Conservative Club Hall, Campbell Building, was under the convener'ship of Mrs. Edson Mrs. Richards, Mrs. Walsh and Miss Stephens. About thirty couples greatly enjoyed the evening. A Halloween dance will be held on October 27.

Guild of Health—The director, Rev. T. E. Rowe, will continue his present series of addresses on Thursday evenings at the Cathedral schoolroom, his subject this week being "Conditions of Faith." The librarian will be in attendance, and books can be exchanged and borrowed. Mr. Rowe can be seen in consultation at 1136 Richardson Street on Friday, between the hours of 10 a.m. and 12 noon.

Want Magazines—The Sallors' Club, Esquimalt, is very badly in need of magazines and books to give to sailors visiting the institution. About twenty-five men off the merchant ship Duffield visited the Club on Saturday evening, partook of coffee and cake, and were loaded up with the remaining supply of literature, so that it is hoped friends will replace this for the benefit of other men calling at the institution.

Judge Howay Will Speak—The second annual meeting of the British Columbia Historical Association will be held in the Provincial Archives department next Friday at 2 p.m. His Honor Judge Howay, president of the association, will deliver an address on "Captures and Attempts to Capture Trading Vessels on the Northwest Coast," followed by the election of officers for the ensuing year. A large attendance of members and friends is expected.

Saanich Conservatives—The Saanich Liberal-Conservative Association held a ward meeting at Cedar Hill

School, Ward 1, last night, when officers were elected as follows: President, Mr. James; vice-president, Mr. T. Harrop; secretary, Mr. F. Horn. Hon. T. G. Coventry, M.P.P. for Saanich, and Mr. W. O. Wallis gave addresses. A meeting will be held at the Cloverdale School, Ward 11, Friday night at eight o'clock.

To Present Proficiency Medal—The opening exercises of the Esquimalt Public School will be held this afternoon at 2:45 o'clock. Rees Lockley will present his medal for general proficiency to Miss Hazel Fairall, who made the highest marks in the recent entrance examination. Flowers rolls and entrance certificates will also be presented. The members of the School Board will present their prizes for proficiency.

To Present Medal—Reeve Alex. Lockley will present his medal for general proficiency to Hazel Fairall at the special exercises that will take place this afternoon at Lampon School at 2:45 o'clock. Honor rolls and certificates for entrance examination of the High School will also be presented, and the Esquimalt School Board will present its prizes for general proficiency to Florence Elsie Richardson, 1711 St. John's, and Mrs. Hodges. Tea guests will be admitted at 5 o'clock.

Kumtuka's Mah Jong—The Kumtuka Club will hold its opening social event of the season on Saturday afternoon, beginning at 3 o'clock promptly, in the form of a bridge and mah jong party at the Hudson's Bay Hotel. Mrs. W. G. Wigglesworth (phone 2265), will be glad to receive the names of any wishing to reserve tables, or names may be sent to Miss Elsie Richardson, 1711 St. John's, or Mrs. Hodges. Tea guests will be admitted at 5 o'clock.

Churchmen's Supper—Under the auspices of the Christ Church Cathedral Men's Guild a supper will be held in the new Memorial Hall this evening at 6:45 o'clock. All men are invited to this supper, after which there will be a social half-hour, followed by a men's meeting at 8 o'clock, at which Archdeacon Laycock will give an address on "What the Crusade Movement is Doing for the Church in the Old Land." Colonel Davies will preside.

Lecture on Wales—The Rev. T. Griffith of St. Peter's will give a lecture on the "Quaint Humor of the Welsh Pulpit" at the Welsh Society's reunion meeting in Harmony Hall, Fort Street, this evening at 8 o'clock. The committee has arranged a programme of vocal and instrumental music and elocution. The society extends an invitation to all former members and friends to the first gathering of this Fall and Winter meetings. Refreshments will be served.

Cinderella Dance—Following the successful Cinderella dance held at the Chamber of Commerce Saturday night, the next dance will be tonight at the Chamber of Commerce and every Wednesday and Saturday night following. Those wishing to enter the waiting contest which will be held during the next few weeks are asked to hand in their names at the door. A contest for the best fox-trot dancers will be held after the waiting contest. Other novelties will be given during the Winter season.

Father Dies—Mr. W. H. Brown, 350 Berkeley Street, only son of Surgeon-General Wm. R. Brown, C.I.E., M.D., has been advised of his father's death on September 16 at Chatelet, St. Sordanielle, Rougemont, Vaud, Switzerland. Born May 23, 1850, he joined the Indian Medical Service in 1873, was professor of pathology 1882 to 1890, professor of surgery 1890, became a fellow of Madras University in 1892, principal of the Medical College in 1901, principal medical officer of Madras district in 1903, and honorary surgeon to the viceroy in 1905.

Victoria Aeris to Meet—A most interesting and important meeting of Victoria Aeris, No. 12, Fraternal Order of Eagles, will take place tonight. All members are requested to be sure they attend the meeting, as a large price on a part of the Order's property on Fisgard Street at the request of the land department of the Hudson's Bay Co. will come up for consideration. There will be a class of at least ten candidates for initiation, and the "Maggie and Jiggs" party will be a success. There will be sodas of corn beef and cabbage for all, and other refreshments as well. Every member is asked, if possible, to be present.

Ward Two Conservatives—The officers and members of Ward Two Conservative Association are desirous of having all the Conservatives resident in the ward attend the annual meeting to be held in the rooms of the Victoria Conservative Association, Campbell Building, tonight at 8 o'clock. The first business will be the reading of the reports, followed by the election of officers and four delegates to represent the ward on the Executive Council. A good turnout is expected, as some of the city members will address the meeting. All voters resident in the ward are extended a cordial invitation to take part in the proceedings.

Two Survivors Here—In connection with the death in Ottawa last week of Mr. Napoleon Rheumant, one of the original party of surveyors who blazed a trail through the Rockies for the C.P.R. in the early seventies, Mr. Ashdown H. Green, 1750 Rockland Avenue, draws attention to the incorrect description of Mr. Rheumant as the last survivor of the party. Two members of the party are living in Victoria at the present time, one being Mr. Green himself, who was the divisional engineer, and the other Mr. James Porter, 62 Government Street. Both left Victoria on Dominion Day, 1871 to commence their work in the Rockies.

Shooting Accident at Kamloops. KAMLOOPS, Oct. 7.—A shooting accident occurred here last night, when Wentworth Lynes, son of W. W. Lynes, was killed by an old-time railroad conductor on the C.P.R. accidentally shot his young sister as she sat in the kitchen doing her house work. It appears that Wentworth was in the pantry endeavoring to extract a jammed bullet from a rifle, when the gun went off, penetrating the wall of the pantry and going through the lung of the unfortunate girl. The patient was reported this morning as progressing favorably, with every hope for recovery.

Under the Clock

City Hall Activities in Brief

A petition from 183 residents of the Foul Bay district asking that Foul Bay be renamed Gonzales Bay, and Foul Bay Road Gonzales Bay Road, was read before the City Council Monday night. A second letter from the Municipal Chapter, I. O. D. E., requested the Mayor to use his influence to retain the appellation Foul Bay; and a third letter from Postmaster Bishop pointed out that a Gonzales Bay Road already existed, and intimated that, from the Postoffice viewpoint, duplication of names should be avoided. All three communications were laid on the table pending a report from the city solicitor.

The Council was informed Monday night that the Real Estate Board of Victoria would co-operate in any action to remedy defects in the Succession Duties Act which were detrimental to the sale of real estate and injurious to the interests of clients. The board suggested that the industry of the Succession Duties Act be debated at a joint meeting of the Council, the Chamber of Commerce, the Law Society, various public service organizations and the Real Estate Board, and that representations be made to the Government to have the Succession Duties Act removed. The matter was referred to the Mayor and the Legislative Committee with power to act.

On the motion of Alderman Woodward the city solicitor was instructed to investigate the city's responsibility in the matter of the upkeep of the Ross Bay Cemetery lots controlled by the Roman Catholic, the Anglican, and the Presbyterian churches. Advancing his motion, Alderman Woodward said: "I have been unable to discover how the arrangement arose, but it seems that the city is paying for the maintenance of plots bought in the first place at low prices by these churches and then sold by them at a profit."

DISCUSS EDUCATION

Miss Cooke Takes Up Interesting Question for Esquimalt Chapter, I.O.D.E.

An address on secondary education, in which an explanation of the burials and war memorials in the cemetery was made, was given by Miss Cooke before the Esquimalt Chapter, I.O.D.E., at their meeting at Lady Darnley's residence on Monday afternoon. Mrs. Croft presided, and at the close of the meeting very cordially thanked their hostesses of the afternoon.

It was stated that approximately \$150 had been cleared by the bridge and mah jong tea held recently at the home of Mrs. C. P. Hill, who was thanked by standing vote for her assistance in the undertaking. The subscription to the Travellers' Aid is being continued by the chapter, and Mrs. Turner reported two cases for which layettes were needed. A donation of \$5 was voted to the Victoria War Memorial Fund. The next meeting is to be held at the home of Miss Meyer, Esquimalt Road. Two new members received were Mrs. Gordon Hardie and Mrs. Poynts.

THE WEATHER

The barometer is rising on the Coast and fair weather is getting on the slope. A moderate cold wave has appeared in the Yukon and fair, mild weather prevails on the Prairies.

ALLEGED KILLERS OF INDIAN BOY ARRIVE

Five Prisoners From Northern Interior Come South to Stand Trial for Murder

PRINCE RUPERT, Oct. 7.—With five Indian prisoners, one a woman with an infant in arms, Inspector T. Sandys-Wunsch and Constables Neville and Martin of the Royal Canadian Mounted Police, left here today on board the Princess Alice for Vancouver.

The Indians have been brought from a point three hundred miles north of Telegraph Creek, and are all charged with the murder of a boy of seventeen whom they believed to be practising witchcraft. The police have been at work on the case since June, having to travel nearly a thousand miles inland, with pack-dogs and canoes, tracking down the nomadic tribe. After weeks of searching for clues, they discovered a hole that had been scratched out by a wolf, and there, under planks, a few feet down, they found the body of the boy, with hands tied behind him.

Confession followed, the leading spirit in the murder being Big Alex. The boy was hanged head down, to drive out the evil spirits. After being cut down he was pounded with rocks until dead. The prisoners speak but little English, and are unkempt, wearing only poor rags. They eat meat, but regard bread with suspicion.

Later reports from the region say that a girl named Madeline, also suspected of witchcraft, was hung up by one foot and one arm for three days. She is now said to walk like a crab, mostly on one foot and hand, using the injured arm and leg for balancing.

Fire Victim Succumbs. QUEBEC, Oct. 7.—Mrs. Arthur Corvax, who sustained a fractured skull Sunday, when she jumped from the third floor window during the course of a fire, died last night in the Hotel Dieu Hospital.

"Was Freed of Gall Stones And Persistent Backache"

Mr. Alexander Bradley, R.R. No. 1, Carp, Ont., writes:

"I suffered from gall stones, and commenced taking Dr. Chase's Kidney-Liver Pills. I feel safe in saying that these pills completely overcame the trouble, as it is some years since I was afflicted in this way, and I have not suffered from gall stones or even backache since. I have also found Dr. Chase's Nerve Food excellent for heart trouble and shortness of breath."

HUDSON'S BAY CLUB HOLDS FIRST DANCE

EMPLOYEES' ASSOCIATION HAS
INAUGURAL EVENT

Three Hundred Attend—Series of
Functions Will Be Conducted
During Next Few Months

The success that marked the inaugural dance of the Hudson's Bay Employees' Association, held at the Alexandra Hall last night, will without a doubt follow the club's activities throughout the season.

Some three hundred employees of the company and their friends attended the affair. Mr. Watson, manager of the big department store in Victoria, opened the evening with a few remarks, commenting on the fact that it was organizationally the congeniality that counted in the success of such an association, and he hoped that this "spirit," which was predominant at the dance, would be carried into other fields of activities. He wished the association every success in its various social functions and enterprises, and invited the employees, as president of the Hudson's Bay Employees' Association, to continue with the dance and thoroughly enjoy themselves.

The affair was well arranged by the social committee, of which Mr. W. G. Stark is chairman. Probably what was most appreciated was the appointment of a reception committee, whose duty was to see that the guests were well received, and to promote an atmosphere of cordiality throughout. The reception committee comprised Mr. J. Grant, Mr. J. Eaton and Mr. McIntosh. The ladies' reception committee was composed of Miss Grace Bowden, Miss G. Goss, Miss M. Kie, and Miss E. D. Rhodes. Mr. G. Hibbert and Mr. R. Dunn acted as masters of ceremony. Hunt's four-piece orchestra was in attendance, and a well-selected repertoire of dance music was given. The usual lighting effects were provided. It is without a doubt that the entire series of dances will be an equal success.

It has been planned to hold a dance on the first Tuesday of each month until April, at the Alexandra Hall. One exception will be made on New Year's Eve. The dance on that occasion will take place on New Year's Eve, and something of a surprise is being kept in store for those who attend.

PRINCE TALKS WITH MAYOR OF CABBAGES AND KINGS

Continued from Page 1

taken his own secretary with him to make a verbatim report of the Prince's address. The Prince, who had arrived at the Victoria Hotel, was met by the Mayor, who was accompanied by a number of officials who were traveling on H.M.S. Hood.

The Prince of Wales expressed his appreciation of this act.

Canada's Neighbors
Among the other matters touched upon in the course of the conversation was the busy traffic between Canada and the United States in titles like Victoria, which is so close to the boundary line. The Prince seemed interested to know just what effect such numbers of American tourists coming and going through Canada had on Canada's feeling toward her neighbors to the South. Were sentiments blending?

The Mayor explained that the relations between the two countries were those of next-door neighbors, each respectful of the other's flag, each retaining his own individuality and point of view. They were, in fact, close friends—nothing more, despite the fact that the Prince, not much more than a decade ago, went through an annexationist wave. Canada had never been more loyal to the King than she is today.

A further evidence of the Prince's observant habit was given before the informal meeting terminated. He had been out at Cowdard that afternoon playing golf and had been at a bridge, at the Johnson Street Bridge, which had been completed since his previous visit here five years ago. He had been informed that the bridge had been something in the nature of a bone of contention in local politics, his informant having given him to understand in fact that Victoria had undertaken the construction of this twin roadway a little bit ahead of time. He trusted that the citizens would have no cause to regret the expense of the undertaking, and that ambitious foresight would be justified by a return of prosperity in the near future. Victoria, the Prince of Wales considered, was one of the most beautiful cities in the Dominion.

Royal Courtesy
The Mayor's invitation to call upon the Prince of Wales was another instance of the courtesy and kindness of thoughtfulness which has endeared the royal family to all Britishers. In the crush of spectators gathered at the C.P.R. docks on Sunday morning to welcome His Royal Highness, the Mayor had little opportunity to say more than a few words of formal greeting, but in bidding the Prince good-bye he expressed the conventional wish that they might have a further meeting before the Prince left Victoria. The Prince seemed pleased, and intimated his own wishes to be the same. The following morning Mayor Hayward, on arriving at his office found a letter from the Prince requesting him to call at the Empress early in the evening for an informal chat. In saying good-bye, the Prince expressed his pleasure in this second visit, and intimated his intention of returning here as many times as opportunity permits.

The Prince said good-bye to Victoria early yesterday afternoon, leaving Government House in the early hours, following the dinner dance given by the Lieutenant-Governor and Mrs. Nichol in his honor. He returned to the Empress, sleeping until about half past ten o'clock. The tentative golfing programme which had been arranged was cancelled, and he kept his rooms until about 12 o'clock, when he drove to Government House to say good-bye to his hosts of the previous evening. Returning to the Empress about 1:30 he had a hurried luncheon in his own private dining-room with the members of his party. He left the hotel in his motor car, and was accompanied by a detachment of the Prince's Guard, on which a salute had been reserved for his use. Some intimation that he might leave Victoria by special boat robbed his departure of the demonstrative send-off which he might otherwise have been given. Compared with the Sunday afternoon, his departure was a very quiet incident, although photographers, both professional and amateur,

were not lacking to record his movements.

Just before the boat sailed from Victoria, he went to the upper deck to get a better view of the harbor and scenery, and incidentally to wave au revoir to citizens on shore. About half an hour after the Prince's boat sailed he went to a special suite of rooms where he rested all afternoon.

VANCOUVER, Oct. 7.—Another rousing reception was tendered the Prince when he landed in Vancouver at 7 o'clock today, and as usual the rotunda of the Hotel Vancouver held a vast crowd of spectators. The Prince and his suite went immediately to the eighth floor, where his rooms were still at his disposal and which were arranged for His Royal Highness' pleasure. The party dined this evening at the Vancouver Club and later attended a private dance held at the Jericho Beach Country Club.

The special train will leave Vancouver at noon Wednesday over the Canadian Pacific lines and brief stops will be made at Banff and Lake Louise.

FIX DETAILS FOR ARMISTICE PERIOD

Veterans to Hold Poppy Tag Day,
Memorial Service and Grand
Ball in City Next Month

A meeting of the Armistice Period Committee was held in the rooms of the Army and Navy Veterans last evening for the purpose of forwarding the arrangements for the Armistice activities. Mr. Beaumont Boggs, the president, occupied the chair. The following organizations were represented: Army and Navy Veterans, British Campfollowers, Canadian Legion, Veterans of France, T.B. Veterans and Amputation Club.

The secretary reported that he had been successful in reserving the Alexandra Club for Armistice Day, November 11, for a ball, and it was moved, seconded and carried that in any future advertising this function be mentioned as the Armistice Period Poppy Ball. Comrades Money, Bellamy and Chiverville were appointed to handle the arrangements for the ball.

It was agreed to invite Mrs. Prior and the ladies of the Florence Nightingale Chapter, I.O.O.F., to act as a decoration committee for the event.

The secretary, Mr. Robert Macneil, reported that the committee now had about the small poppies on hand, and expected to receive the large ones in a few days.

A memorial parade and memorial service committee was appointed, composed of Comrades Thorpe, Gardiner and Laville. This committee will assist Comrade Hatcher, who will act as marshal.

A committee to arrange for the sale of poppies was named, Comrades Stock, Godwin and Gill promising to act on it.

Comrade P. D. Cameron was appointed poppy campaign manager, having acted in that capacity last year. Secretary Macneil said that he would write the different ladies' auxiliaries and the Victoria Women's Institute asking them to assist in the sale of poppies on November 8.

ISLAND TOWNS WELCOME CITY'S TRADE TOURISTS

Continued from Page 1

and Publicity Bureau; Alderman E. B. Adcox, C. Drummond-Hay, Captain Duncan, H. D. Twigg; Reginald Hayward, Mayor of the City of Victoria; Gilbert Fraser, Thos. W. Smith, A. Kent, C. Bakin, C. L. H. Branson; Frank Warren, trustee Victoria Tourist and Auto Camp; H. Anson; George I. Warren, secretary Victoria Chamber of Commerce; R. R. Webb, secretary Victoria Branch Automobile Club of British Columbia; H. N. Fynn, E. Templin and J. E. Moore.

LADYSMITH GREETS TOURISTS

LADYSMITH, Oct. 7.—(Special)—Twenty-four members of the Victoria Chamber of Commerce, who are making a tour of Vancouver Island, arrived by car from Victoria today. The party, in charge of C. P. Schwenker, was met at the Travellers Hotel by Mayor Walker, C. G. Collins, municipal clerk, and T. A. Spruston, district superintendent of the Canadian Collieries, who were guests of the Victoria party at lunch.

After a splendid meal had been served, Mr. Schwenker spoke on the subject of the visit and outlined his and his colleagues' ideas for the betterment of conditions in general on the island, especially emphasizing the need of closer co-operation between the island boards of trade. Mr. Schwenker showed a keen insight into the requirements of Ladysmith and district. The tourist trade was gone into briefly, as was the question of fuel oil versus coal, a vital subject locally.

Mayor Reginald Hayward, of Victoria, the next speaker, mentioned that he knew Ladysmith from his inception, as he had been a commercial traveler and made regular calls here for a period of nine years prior to his retirement from the road. Mr. Hayward had a good word to say in regard to Shell Beach, Ladysmith's new best bet as a tourist resort site. This has been under serious consideration by no less a company than the C.P.R.

Mayor Walker, on behalf of Ladysmith, thanked the visitors for their kind remarks about his town, and assured them that as far as Ladysmith was concerned Victoria and the east of the island would receive the heartiest co-operation.

T. A. Spruston had a few words to say regarding the possibilities of Shell Beach, being developed as a tourist attraction and suggested that this question be gone into further at some time in the near future. Mr. Spruston also quoted some figures as to the importance of Ladysmith as a coal shipping centre.

Being held up by lack of room on the Mill Bay ferry, the Victoria party was somewhat late in arriving here, but all spoke highly of the conventional to motorists that the new ferry Alberts at 3:30 p.m.

At Chemainus

CHIMAINUS, Oct. 7.—(Special)—The Victoria Chamber of Commerce party arrived here in two cars today at 1:15 p.m., being met on arrival by Mr. John Humbert, manager of the big mill of the Victoria Lumber and Manufacturing Company here. The visitors were taken over the plant, now in process of reconstruction after the disastrous fire of last year, and expressed great interest in the great mill, its monster electric crane, towering new 210-foot smokestack, and everything else they saw. After an hour they spent, they proceeded to Ladysmith.

ELECT OFFICERS FOR ENSUING SEASON

Mrs. H. P. Hodges Re-elected
President of Women's Canadian Club
—Finances in Good Shape

The annual meeting of the Women's Canadian Club, held yesterday afternoon at the Empress Hotel, by acclamation re-elected Mrs. H. P. Hodges to the office of president for the coming year. Other officers are as follows:

First vice-president, Miss Cann; second vice-president, Miss Agnew; secretary, Mrs. J. H. Fletcher; treasurer, Mrs. Bradshaw.

The executive consists of Mrs. R. W. Perry, Mrs. W. H. Gee, Mrs. R. C. Taylor, Mrs. P. B. Sourabh, Mrs. R. P. Taylor, Mrs. L. Walsh Namath and Miss Lottie Bowron.

The annual report of the secretary, Mrs. P. H. Elliott, showed that during the past year 204 new members had been admitted, bringing the total roster to 930, including fifteen honorary members. Seventeen general meetings, with an average attendance of about 200, had been held. Among the activities of the club were recorded the following: In June the Canadian Club for the first time had invited the Women's Canadian Club to join with them in entertaining the Special Service Squadron; speakers during the year had included Dr. Hildell, of the League of Nations; Colonel Bailey, of Vancouver, on International Relations; Professor Masiah, of India, who told about the position of women in India; Dr. Weil, head of the department of education in the University of British Columbia; Miss Joyce Walton, English Girl Guide; Mrs. Lipsett-Skinner, of the Prisoners' Aid Society; General Hughes, Canadian superintendent of prisons, Ottawa; the Bishop of Columbia, Mr. Ira Dilworth, Mme. Sanderson-Mongin. Special gatherings had included a farewell reception in honor of Mrs. Spoford, a luncheon for Miss Helen Stewart, and a garden party at Mrs. Butchart's.

Recognition of two Junior Canadian Clubs, at St. George's and Uppington Schools, had been given during the year; had supported the juvenile court plan for Victoria; had sent Miss Cain as delegate to the national council meeting at St. John. The treasurer's report, read by Mrs. Bradshaw, showed a balance in cash at the bank of \$440 after the payment of numerous expenses, one of the heaviest of which was \$196 for telegrams, advertising, etc. Among the larger items noted in the income were \$182 received from membership dues, \$283 from admission fees, and \$166 cleared from garden fete.

Warm votes of thanks were passed to both secretary and treasurer, the latter receiving a special bouquet from the president, who also expressed her appreciation of the support given her during the year, not only by the members but by the membership as a body. She appealed for a larger attendance at meetings during the coming year.

During the course of the hallows Miss Cann, who represented the club at the national meeting at St. John, gave a resume of the proceedings, and appreciating the lavish hospitality which was extended to the delegates, Miss Cann nevertheless intimated that this feature of the annual conferences was perhaps too much stressed at a time when time which might be devoted to some of the more serious discussions. However, this meeting in a friendly way of representation from all parts of the Dominion might serve a better purpose. It was perfectly true, she stated, that sectionalism made for some unfriendliness in Canada. The Canadian Club ought to be a great deal to bring about a better feeling.

"There is not so much unity in Canada today as there was some years ago," she stated at one point, mentioning some of the divisions of sentiment which she had encountered between the peoples of the Maritime Provinces and Upper Canada. Feeling in the Maritime provinces was very keen on the subject of the shipment of Canadian grain through the United States ports. These were questions which such organizations as the Canadian Clubs could do much to improve.

Miss Cann reported the Canadian Club decided to employ a paid secretary. For the present the director of the experiment would be out of a reserve fund; the levy of a special contribution would be considered after the efficiency of the experiment had been proved. A brief resume of some of the resolutions brought before the conference was given by the speaker, who was warmly thanked for her report.

During the busiest tourist season which the Victoria Auto Camp has ever experienced, and which has just drawn to a close, seventy different makes of automobiles have been registered on the camp register. Interesting figures compiled by Harold Palmer.

AUTO CAMP RECORD SEASON REACHES END

Over Two Thousand Cars at Victoria
Park, Statistics Show, During
Recent Summer Months

During the busiest tourist season which the Victoria Auto Camp has ever experienced, and which has just drawn to a close, seventy different makes of automobiles have been registered on the camp register. Interesting figures compiled by Harold Palmer.

Party arrivals by the month were as follows: May, 28; June, 25; July, 94; August, 95; September, 14.

The day upon which the largest number of new arrivals were registered was July 31, with a total of sixty cars, the record month being August.

Statistics show that during the whole tourist season 2,324 automobiles, carrying a total of 7,453 people (making an average of 2.20 people to each car), made an average stay of two days in Victoria.

Thirty-one states and six Canadian provinces, also Hawaii, were represented. The state of Washington led by representation, being followed by California, Oregon and British Columbia, as follows: Washington, 934 cars; California, 473; Oregon, 373; British Columbia, 207.

One party requested their seven-day permit to be renewed ten times, and eventually left the Victoria camp after having spent seventy-seven days without a break.

Several families, after being apparently inoculated with the charms of the camp, the city and the island generally, definitely stated to Trustees Waring, Johnson and Clark that they were buying homes and settling down in Victoria, while others intimated their preference for up-island locations.

CHART NEARBY WATERS

HAKODATE, Japan, Oct. 7.—A submarine peninsula, as large as Korea, runs through the middle of the Sea of Japan, according to officers of the Japanese Navy's special service ship Yamato. This vessel has been making a survey of these waters, and recently put in here for supplies.

Social Events

Celebrate Wedding Day

Mrs. C. E. Pooley entertained a few friends yesterday afternoon at bridge and mah jong at her home, "Fernhill," to celebrate the wedding day of her granddaughter, Violet, daughter of Admiral Victor Stanley and Mrs. Stanley, of London, Eng., to Captain Milburn, Coldstream Guards, which was solemnized yesterday at the guards' chapel, followed by a reception at Derby House. Another interesting link of the marriage and Victoria was the fact that the service was conducted by Right Rev. Bishop Perrin, formerly Bishop of Columbia, who left Victoria in 1911.

Mah Jong Hostess

On Monday afternoon Miss Violet Furnett, 1816 Richardson Street, was hostess at a delightful mah jong party. The drawing-room was prettily decorated with Autumn flowers and in the dining-room pale pink asters were artistically placed. Those present were Mrs. Mellander, Mrs. Bridges, Miss Marquitta Nichols, Kathleen Ross, Miss Peggy Hodgins, Miss Marjorie Puckle, Miss Maile Evans, Miss Patricia Heming, Miss Alice Cotton, Miss Beryl Nelson, Miss Catherine Fraser, Miss Mary Elliott and Miss Phyllis Barton.

Announce Engagement

Mr. and Mrs. Herbert Creelman, 6388 Angus Avenue, Vancouver, announce the engagement of their

youngest daughter, Jean, to Mr. Claude Lane Campbell, son of Mr. J. M. Campbell, of Victoria. The marriage will take place early in November.

Bridge and Mah Jong Hostess

Mrs. T. W. Peterson, The Uplands, is very graciously lending her home on Friday, Oct. 10, for a bridge and mah jong party in aid of the parish funds of Our Lady of Lourdes Church, The Willows. Play will begin at 2:45 o'clock sharp.

Sewing Hostess

Mrs. W. F. Orme will be hostess this afternoon at her home, 2721 Fernwood Road, when the Ladies Auxiliary of St. Joseph's Hospital will meet there to sew for the annual bazaar to be held on November 13.

Go to Vancouver

Mrs. Simon Leiser, of Devonshire House, who has been somewhat indisposed of late, is now recuperating and is the guest of her daughter, Mrs. Oppenheimer, in Vancouver.

Go to Vancouver

Mrs. J. Gordon Smith, of Medina Street, has gone over to Vancouver where she is the guest of Mrs. A. G. McCandless, Cardero Street, for a few days.

Announce Engagement

The engagement is announced of Miss Abigail (Abbie) Padway to Mr. Raymond Heal, Mt. Stephen Avenue. The marriage will take place shortly.

Vancouver Guests

Mrs. Johnston, Devonshire House, has as her guests for a few days her son-in-law and daughter, Mr. and Mrs. Wilbont, of Vancouver.

Visits Vancouver

Mrs. F. W. Vincent, Erie Street, is enjoying a holiday with relatives in Vancouver.

Visit Vancouver

Mr. and Mrs. Percy K. Cummings are visiting on the Mainland for a few days.

Return to Mayne Island

Mrs. Captain A. B. Gurney has returned to Mayne Island after spending a few days in the city.

Guest for a Few Weeks

Miss Muriel Gurney is the guest for a few weeks of Miss Josephine Heal, 2743 Mount Stephens Avenue.

From Duncan

Mr. and Mrs. R. King, of Duncan, spent Monday and yesterday in Victoria.

Washing Woolens

Do you know the exact temperature the water should be to most successfully wash woolens? We do. It is just one of the many things we know that makes our family washing service so popular. All flat pieces are ironed, the balance returned ready to iron.

15 Pounds \$1.00
11 Pounds \$1.00

Phone for our driver. We'll have him call for your washing.

New Method Laundry Limited

Brief Visit

Mr. J. H. Fletcher is in Vancouver on a brief business trip.

PAIKSVILLE

In Hospital. Friends of Mr. D. Meredith are sorry to hear of his illness, and all hope him a speedy recovery. Mr. Meredith is at present in the Nanaimo General Hospital.

Return From Maple Creek

Mrs. Hugh Wilson and her daughters, Ruth and Betty, recently returned from Maple Creek, where they had been spending the Summer months.

Suffers Loss

Much sympathy is felt for Mrs. Godfrey in the loss of her father, Mr. William Wagstaff, of Nottingham, England.

Return From Vancouver

Mr. and Mrs. D. B. McNeill have returned from a short visit to Vancouver.

Visits Victoria

Mrs. T. Davis is spending a few days in Victoria.

NANOOSE BAY

Visit Powder Point

Mrs. Fred Rhodes, of Philadelphia, U.S.A., and Miss Isabel Haarer and Miss Julia Haarer, of Nanaimo, were visitors at Powder Point during the week, the guests of Mr. and Mrs. Fred Harris.

Return to Nelson

Mrs. Rosa Pendleton, who has been visiting friends at Nanaimo for the past few weeks, has returned to her home at Nelson.

Return to Seattle

Miss Louise Hove has returned to Seattle after spending the past few weeks visiting her sister, Mrs. Wayne Pendleton, of Red Gap.

To Reside Here

Mr. and Mrs. John Marsden, of Cloverdale, have arrived at Nanaimo Bay, where they will take up residence.

Return Home

Mr. Dan Stewart, of Nanaimo, has returned to the Coal City after spending a few days with his brother, Mr. Thos. Stewart, of Powder Point.

Go to Vancouver

Miss Nell Hannah, who has been visiting Mrs. McPherson for the past two months, has gone to Vancouver.

Go to Mainland

Mr. Joe Christie, of Powder Point, has gone on a six weeks' visit to the Mainland.

Week-End in Capital

Mr. Harry Leavitt, of the Giant Powder Co., motored to Victoria to visit his family for the week-end.

Nanaimo Visitors

Mrs. Jack Connell and daughter, Jean, of Nanaimo, are visiting Mrs. Jack Watson, Powder Point.

From Victoria

Mr. and Mrs. T. Beer, of Victoria, are the guests of Mr. and Mrs. Bert Beer, Nanaimo Bay.

To Reside in Vancouver

Mr. and Mrs. P. Kirkpatrick, of Red Gap, have left to take up residence in Vancouver.

At Courtenay

Mrs. T. Bolderston and Mrs. T. Hughes, of Nanaimo, are visiting friends at Courtenay.

Go to Victoria

Miss Dora McLean left on Monday for Victoria, after a two weeks' visit with friends at Nanaimo.

Visits Nanaimo

Mrs. Frank Barrie is visiting Nanaimo for a few days.

MOUNT NEWTON SOCIAL CLUB HOLDS MEETING

The general meeting of the Mount Newton Social Club was held in the club rooms, West Beach Road, on Monday last. After the reading of the balance sheet, which showed a substantial surplus on hand, the election of officers took place, with the following result:

President, Mr. L. Hagan; vice-president, Mr. A. Lacourshere; second vice-president, Mrs. A. Hydes; secretary-treasurer, Mr. E. Buckle. The first social meeting will be held on Wednesday, October 15, when fifty-five hundred will be indulged in, and the members extend a cordial invitation to visitors. The games start at 8:30 promptly, and those intending to participate are respectfully urged to be on hand on time.

GIRLS' CORNER CLUB

The members of the Corner Club extend a hearty invitation to all business women and girls to come to their Thursday supper at 6:15 p.m., in the Liberal Hall, Government and Broughton Streets. Mrs. J. W. Alderson, of Kiangsi, China, will be the guest of the evening and has an interesting story to tell of her work as a missionary among the Chinese. After twenty-five years in the mission field she is returning to the Old Country with her husband and children for a rest. The meeting will close before eight, when Miss Black will conduct her singing class.

PEARS

—no more delightful dessert for a mid-winter meal. Now's the time to preserve them — they're cheap and plentiful.

Hostess to Royal Visitor Here

LADY BARNARD

Who had the honor of entertaining the Prince of Wales at afternoon tea on Monday, following his round of golf at the Colwood Golf and Country Club. The Prince was accompanied by Major Seldon Humphries. Sir Frank and Lady Barnard were in residence at Government House during the time of the Prince's former visit to Victoria, and three years ago when they were in London they had the honor of taking luncheon with the Prince of Wales at York House.

WEDDINGS

Cummings-Dalgarno

A quiet but very pretty wedding was solemnized on Saturday evening, October 4, at the home of the Rev. Walker, of Tillamook Road, when Miss Jean Dalgarno, only daughter of Mr. and Mrs. Robert Dalgarno, of Arncliffe Avenue, was united in marriage to Mr. Kenneth Cummings, second son of Mr. and Mrs. C. P. Cummings, of 1518 Pembroke Street. The bride was attended by Miss Kate Norman, and the bridesmaid by Miss brother, Mr. Geoffrey Cummings. The bride was prettily attired in a navy blue traveling suit with powder blue hat on suite. Her bouquet was composed of Ophelia roses. Miss Norman looked charming in her costume of blue crepe de Chine, and wore a corsage bouquet of pink carnations. The present were very numerous and beautiful, among them being a handsome silver tea set presented by Mr. David Spencer, on behalf of a large number of the firm's staff; also a beautiful dinner service presented to the bridegroom by Mr. Thomas Wilkinson as a token of esteem from the drivers and delivery department of the Hudson's Bay Co. The happy couple left on the midnight boat for Vancouver, where the honeymoon will be spent, and on their return will make their home in this city.

GONZALES CHAPTER

The general monthly meeting of Gonzales Chapter, I.O.D.E., was held at headquarters yesterday morning. Mrs. George, regent, was in the chair, and fourteen members were present. The sum of \$25 was voted by the Chapter as a donation to the War Memorial Fund. It was also decided to assist the Navy League on October 18. Three new members were elected and welcomed into the Chapter: Mrs. Duke, Mrs. A. E. Todd and Mrs. Burnie.

Arrangements were made for the forthcoming mah jong and bridge party the Chapter is getting up. It is to be held at St. Mary's Hall on the afternoon of Friday, October 11. Members are all asked to get up tables and also to invite their friends to tea.

MAIZE CREPE MAKES THIS EFFECTIVE DAYTIME DRESS

The softness of maize-colored crepe and the simplicity of the tunic mode combine to make the little frock sketched above a most attractive one. The tunic portion is embroidered in outline stitch in maize thread, while the flare sleeves and the foundation skirt are made of the plain material. Square necks will be given a prominent place in Fall fashions. This neckline, too, will come in for its share of popularity.

Mrs. E. G. Prior is convener of the table reservations, and those wishing to attend are requested to communicate with her.

CARNIVAL DISCUSSED

Lady Douglas Chapter, I.O.D.E., Makes Plans for Victoria Birthday Anniversary

The completing of arrangements for the grand Carnival Ball to be held on November 19 to celebrate the sixty-sixth birthday anniversary of the city of Victoria occupied the main part of the Lady Douglas Chapter, I.O.D.E., meeting held on Monday evening at the Victoria Club. Mrs. Phillips was appointed convener of the committee on arrangements. The chapter has donated the sum of \$25 toward the Victoria War Memorial. Final arrangements were made in connection with the furnishing of the Jubilee Hospital sunporch which the chapter has undertaken to commemorate. Sir James Douglas. The members have presented to Sir James Douglas School a Columbia gramophone, with the Prince of Wales' address on sportsmanship and other interesting records. The Navy League has invited the chapter to be present at its tea at Alexandra House on October 24.

ROCKLAND PARK, W.C.T.U.

The Rockland Park W.C.T.U. met at the home of Mrs. Laine, 1418 Stanley Avenue, on Monday afternoon. Mrs. Enright, of Montreal, Dominion Superintendent of Social Hygiene, gave a splendid address, also Mrs. Powell, Dominion Superintendent of Scientific Temperance, on her work in Weyburn, Sask. Mrs. Grant presented both ladies with lovely bouquets of roses. After the meeting all present enjoyed a delightful social hour.

Agricultural Inquiry

TORONTO, Oct. 7.—The agricultural inquiry committee, appointed by the Provincial Government, which has concluded its hearings in Central and Eastern Ontario, will tour northern and western parts of the province. In Winnipeg the committee will meet for a conference on the immigration problem with the British delegation now touring Canada, under the direction of Miss Margaret Bondfield, Under Secretary of Labor of the British Labor Government.

Lifebuoy will get him the job

NO business man could resist the appeal of cleanliness and health with their background of character. It was you, his mother, who gave your boy this chance, who taught him the health habit of Lifebuoy Soap. You must continue to aid him to keep up his habits of cleanliness. You must teach him to watch over himself.

Germs are not visible. They are on almost everything one touches. Urge your boy to purify his face and hands with a true health soap. Mothers recognize that Lifebuoy Soap really combats the danger of germs. The creamy, copious lather of Lifebuoy carries deep into every pore a wonderful antiseptic, kindly to the skin, but ruthless to all infection.

Place a cake of Lifebuoy at every place where there is running water.

QUIET WEDDING AT BISHOP'S PALACE

Miss Sophie Marshall Becomes Bride of Mr. H. G. Chisholm.

A quiet wedding was solemnized on Saturday evening, October 4, at the Bishop's Palace, View Street, when Miss Sophie Marshall, younger daughter of the late Robert Marshall and Mrs. Marshall, of New Westminster, became the bride of Hugh G. Chisholm, of Victoria.

The bride wore a three-piece suit of sapphire blue velvet trimmed with gray squirrel fur, black tulle hat with shoes and gloves en suite, and carried a sheaf of crimson cyclamen.

The attending bridesmaids were Miss Mary Marshall of Nanaimo, and Mrs. Rodrick Chisholm of this city.

Following the ceremony the bride and groom proceeded to the New England Hotel, where dinner was served, the guests being Mr. and Mrs. Rodrick Chisholm, Miss Mary Marshall, and Mr. T. Newbury of Nanaimo.

Mr. and Mrs. Chisholm have taken up their residence at 1607 Fairfield Road, where they will be at home to their friends after November 1.

GIRLS BORN 1908 TO 1912 May Need Medicinal Treatment

How Two Mothers Helped Their Daughters By Giving Them Lydia E. Pinkham's Vegetable Compound

Every mother possesses information of vital importance to her young daughter, and the responsibility for the girl's future largely rests on her shoulders. When a schoolgirl's thoughts become sluggish, when she suffers the consequences of wet feet, pain, headaches, fainting spells, loss of sleep and appetite, and is irregular in her health and gives her Lydia E. Pinkham's Vegetable Compound which has proved a reliable aid to Nature for just such conditions in many cases.

Had Faith in It

Hamilton, Ontario.—"When I was a young girl I took Lydia E. Pinkham's Vegetable Compound because father and mother had faith in it. It helped mother and it helped me. I took eleven bottles of it then and used Lydia E. Pinkham's Sensitive Wash. Now I am on my third bottle for later female troubles. I would go two or three months and then have such burning-down pains they were unbearable. I would have to go to bed and was unable to do my housework. I was weak and would faint at the least little thing I did. My husband got me the first bottle and I am already feeling better in every way. I can do my washing now and before I could not even walk about at that time. I recommend the Vegetable Compound to every woman."

For Joy of Good Health

Crundall, Manitoba.—"When I was a young girl at home and working I had terrible pains, almost more than I could bear, and I was not regular. These troubles kept me so tired all the time that I had no strength and no ambition to join in with my friends and have a good time. I was just tired and miserable always and life just seemed as if it wasn't worth living. I saw so much in the papers about Lydia E. Pinkham's Vegetable Compound, and then I had a friend who had taken it and told me about it—so I got some. Every month after taking it I grew stronger and I soon did not suffer every month. It stopped the pains and helped me other ways. Then when my babies were coming I was tired and weak and the first three months and so on. I took the Vegetable Compound right along and must say it made a new woman of me and able to do my work, and it helped me through confinement. You see I am a farmer's wife with a big house to look after, and three babies now. I have told every woman about your medicine. Just last week I got a letter from my old friend in the East. Her baby was born fifteen days before mine and she told me she was not feeling very well, her back aches so much, and that she is going to take the same medicine I took. You can see my letter and I hope some one will be helped by it."—Mrs. Joseph H. King, Box 64, Crundall, Manitoba.

The Marriage Handicap

By RUBY AYRES

The story thus far: Martin Mackworth, a man of slender figure, a country mouse of a girl and a man of the bargain Rachel's shy nature, was the habit of his London friends, and when he installed her in a country house only for week-ends, on one of his visits he finds an anonymous letter awaiting him. "It is a dangerous thing for a man to neglect a young and attractive wife," the message vaguely disturbs him, although he despises every method of conveying a warning. He knows his wife is a good friend, she needs more of her time with her sister Rachel, who lives close to the same old house, higher. Besides, Todd, an elderly bachelor, calls in with the news that Rachel has died of a heart attack. Rachel is supposed to be a heart attack. Rachel is supposed to be a heart attack. Rachel is supposed to be a heart attack.

Mr. Gainsford's house is run secretly as a gambling establishment, and when the police came to investigate, he was found to be a gambler. He was found to be a gambler. He was found to be a gambler.

CHAPTER III
The Meddler
All the morning he interviewed people and answered letters, trying hard to keep thoughts of his wife at bay, but they forced him to go to her and at noon he went round to Mrs. Gainsford's.

Rachel was out.
"I really don't know when she will be in," Mrs. Gainsford told him sweetly. "She is a little uncertain in her plans, and I dare say you know that for yourself. Can I give her a message?"

"Say I will call again," Martin distrusted Rachel. Since Rachel had gone to live in her house he had taken the trouble to find out certain things about her, and although he had been told the truth, he was not sure of it.

He went back home and killed the afternoon as best he could. He had promised to see Constance, but he telephoned excusing himself.

"But this evening," she had urged. "Surely this evening—" "I'll come if I possibly can," he promised.

His mind was in a turmoil. Stephen Todd's honest eyes and eager pleading had made a deep impression on him, but he had believed possible; he was tortured with fresh doubts.

Supposing, after all, he had been unjust? Supposing some sinister influence was at work, engineering all this? Supposing he refused to give Rachel a last chance of explaining, and some day found out that she had been innocent?

At half-past ten he hung down the olive branch. He had tried in vain to read and put on his coat. He knew pretty well what hours were kept at Mrs. Gainsford's, and he considered that the later he left the better chance he had of seeing his wife.

Half-past ten! Down at Chestham he had nearly always been in bed by this time, and he thought suddenly of Rachel's bedroom with its simple furniture and wide open windows.

Perhaps she would never sleep there again, perhaps she would never sleep again in any house of his.

His servant knocked at the door. "Please, sir, a gentleman to see you."

"Who is it? I am just going out." "The gentleman would give no name sir, but he said it was of great importance."

Hackworth hesitated, then with an exclamation of annoyance he went out into the hall.

Mr. Todd stood there in his old raincoat, wet through with his umbrella—wet also—clamped firmly in his hand.

"Yes, it's the Meddler again," he said in his deep voice, with his eyes going to keep you long. I see you are going out. But I have something with me which may be of interest to you."

The two men looked at one another steadily, then Hackworth turned back to his sitting room, shutting the door behind him. Stephen unbuttoned his coat, gave it with his umbrella to Martin's man, and walked into the sitting room, shutting the door behind him.

the table and looked into Martin's face.

"It was found in a writing desk belonging to your cousin, Miss Constance Mallison."

"My cousin—Miss Mallison?" Mr. Todd nodded. He drew towards him the paper which Martin had laid down again, and peered at it through his glasses.

"She seems to have taken great pains to disguise her handwriting completely," he said, interestedly. "But even so, you, of course, have seen it before?"

"I don't understand you," Martin said hoarsely.

"Todd shook his head. "I don't know, but I think you do. Some weeks ago down at Chestham—a day or two after Mrs. Hackworth's sister died, you showed me a letter—an anonymous letter."

"That is a fact," he said, not without a moment there was no sound in the room save Martin's heavy breathing, then Mr. Todd said quietly: "Ah, I see you are beginning to grasp my meaning. It's all a pack of lies, trumped-up case."

"Your meaning? It's all a pack of lies, trumped-up case," Martin's voice was passionately angry. "This paper is a fact, it is not, how did you get hold of it? Did you go to my cousin's flat and rifle her desk?"

"Mr. Todd kept his temper admirably; he felt now he could afford to do so."

"I did not," he said. "But none the less the paper came from Miss Mallison's desk, and I have little doubt—none, I may say—that the anonymous letter—I believe there have been two—came from her."

"But why then, should she wish to do this incredible thing? I refuse to shrug his shoulders."

"Are you such a modest man that I must tell you why?" he asked whimsically.

Tomorrow—Gone!

FRIENDLY HELP TELLS OF MONTH'S WORK

Number of Persons Assisted in September Was 307—Association Appeals for Furniture

The regular monthly meeting of the Friendly Help Association was held yesterday morning in the rooms in the Market Building, Mrs. William Grant, first vice-president, in the chair and fourteen members being present.

The association deeply sympathizes with Mrs. Cullum in her recent bereavement. A standing vote of sympathy was taken and the secretary instructed to send a letter of condolence to Mrs. Cullum.

The association regretted to report that families who have managed to carry on during the summer months have been forced to ask for assistance due to lack of steady employment.

During the month of September 307 persons were given assistance, of whom there were 41 families, five widows, nine widows with children, eleven deserted wives with children, two deserted wives, eight couples, nine lone men, three lone women and one family of orphans.

A special appeal is made for furniture needed to help furnish homes of families who have lately arrived here and have not even a chair to sit on.

Special thanks are due to St. Michael's Royal Oak, and St. Columba, Strawberry Vale, for fruit and vegetables from their harvest home festivals. The association is grateful for such donations, as families can only enjoy this necessary food when given to them.

Fashions and Foibles

By Shirley Shaw

For the young dancing girl the freedom of action of the bouffant skirt is quite as vital as the freedom of speech of her outspoken generation.

The young girl who dines, dances and dines with her friends and acquaintances will choose several very simple evening frocks in different modes and colors rather than one very handsome dress which would become the property of herself and her circle before the season is over. A style that can be trimmed effectively by simply revealing the edge of satin crepe, the last bands is delightful in that rose pink, grey blue, pale corn color, leaf green, fuchsia or mauve. If you want a slightly more dressy frock you could use silver lace in place of the reversed bands on any of these colors. Deep ivory thread lace on white satin or black lace on white tulle makes an exquisite frock.

WOMEN'S INSTITUTES CONFERENCE OPENS

Three Days' Sessions Open at 10 o'Clock This Morning at the Parliament Buildings

A majority of the delegates to the three days' Islands district conference, of the Women's Institutes, which convenes at 10 o'clock this morning in the members' room at the Parliament Buildings, had arrived in the city last night, ready to begin business promptly when the sessions open today.

This year, following the almost universally expressed wishes of the members, a standing vote of sympathy was taken and the secretary instructed to send a letter of condolence to Mrs. Cullum.

The association regretted to report that families who have managed to carry on during the summer months have been forced to ask for assistance due to lack of steady employment.

During the month of September 307 persons were given assistance, of whom there were 41 families, five widows, nine widows with children, eleven deserted wives with children, two deserted wives, eight couples, nine lone men, three lone women and one family of orphans.

A special appeal is made for furniture needed to help furnish homes of families who have lately arrived here and have not even a chair to sit on.

Special thanks are due to St. Michael's Royal Oak, and St. Columba, Strawberry Vale, for fruit and vegetables from their harvest home festivals. The association is grateful for such donations, as families can only enjoy this necessary food when given to them.

The association acknowledges with grateful thanks the following donations received during the month of September:

Cash from the City, Anonymous (four tens and two fives), J. D. Virtue, a Friend, Mrs. Kelly, the Metropolitan Methodist Church, Cash, a Friend, J. A. Hayward, Mrs. Glendennan, Outer Wharf Grocery, V. I. M. P. A., J. E. Painter & Sons, J. J. Phipps, P. Burns, and Co.

Clothing from Mrs. Morris, Mrs. Hourston, Miss Palmer, Mrs. May, Mrs. Irwin, Mrs. G. Mitchell, Mrs. Bennett, Mrs. M. J. Green, Mrs. Denne, Mrs. Baxter, Mrs. Charlesworth, Mrs. Pearce, Mrs. Stork, Mrs. H. Hooke (Rooke), Mrs. Ulin, Miss McDowell, Miss Wright, Mrs. Graham, Mrs. Thorne, Mrs. P. A. K. Allen, Mrs. Dapont, Mrs. Pollard, Mrs. Brook, Monterey Avenue, Mrs. Hooper, Mrs. Proctor, Mrs. Raymer, Mrs. Andrew (six children's new nightgowns), Mrs. Morrill (pajamas).

Shoes from Mrs. Mitchell, Mr. Lowther, Mr. Shaw, Mrs. French, Mr. O'Leary, Mrs. Green, Mrs. Green (plums), Mrs. J. H. Oldfield (jam), Mrs. Darnell (apples and pears), Mrs. J. R. Cuthbert (potatoes), Mrs. H. J. Phipps (two cakes), Mrs. J. M. Jam (jam), St. Michael's Church, Royal Oak (fruit and vegetables).

Sundries from Mr. Rankin, Sidney (bedstead, mattress, etc.), Mrs. Holcroft (air cushion), Miss MacRae (down quilt), Mrs. Lampan (three stoves).

Provisions from Mrs. R. F. Green (plums), Mrs. J. H. Oldfield (jam), Mrs. Darnell (apples and pears), Mrs. J. R. Cuthbert (potatoes), Mrs. H. J. Phipps (two cakes), Mrs. J. M. Jam (jam), St. Michael's Church, Royal Oak (fruit and vegetables).

Sundries from Mr. Rankin, Sidney (bedstead, mattress, etc.), Mrs. Holcroft (air cushion), Miss MacRae (down quilt), Mrs. Lampan (three stoves).

VETERANS SUPPORT MEMORIAL CAMPAIGN

Tubercular Body Votes \$20 to Fund for Building War Monument—Annual Ball in November

A general meeting of the Tubercular Veterans Association was held in their quarters Monday night, with President Harrison in the chair. The meeting unanimously voted \$20 to the War Memorial Fund.

The members expressed their appreciation of the patriotic spirit in which the citizens were rallying in support of this much desired monumental structure.

The question of holding the T.V.A. annual ball during the month of November was discussed, but no date will be decided upon until the entertainment committee meets in the near future.

Meetings of the T.V.A. will be held on the first and third Mondays of each month during the winter season, beginning October 20.

NEWS OF THE SPORTING WORLD

The Goose Hangs High In the American Capital

Goslin Slugs Senators to Victory Almost Single-Handed, Hammering Out Four Hits and Accounting for Five Runs to Even Up the World's Baseball Series—Giants Are Baffled by Deliveries of Southpaw Pitchers

NEW YORK, Oct. 7.—The "goose hangs high" in Washington tonight, for Leon Goslin, slugging pride of the Senators and favorite of the fans, clubbed the New York Giants into defeat today almost single-handed, and put the American League champions back in the thick of one of baseball's greatest championship battles. Another record-breaking crowd, exceeding 50,000 all told, stormed the Polo Grounds and cheered the Senators as they pulled themselves together. In spite of a makeshift infield, caused by the loss of Peckinpaugh, they battered three Giant pitchers and captured the fourth game of the 1924 world series by a score of 7-4, the most decisive verdict of any game so far.

Even Stephen
The series now stands at two all, and the fifth game which is likely to witness a repetition of the opening struggle between Walter Johnson, the Senators' wonderful right-hand veteran, and Art Nehf, brilliant Giant southpaw, will be played tomorrow at the Polo Grounds.

Five of the Senators' runs today, none enough to clinch the game, were accounted for by "Goose" Goslin, who hammered out four hits in as many times at bat, including his second home run of the series which scored two runs ahead of him in the third inning and gave Washington a lead which it never relinquished. While the slow southpaw curves of George Mogridge and the relief pitching of Fred (Pip) Marberry, again successful in his favorite role, kept the Giants in check, the Senators bunched their attack in three innings and Goslin was the dominating figure each time.

The offerings of Virgil Barnes, who retired after being bombarded for five innings, and Wayland Dean, who finished the game after Howard Baldwin had got through with the Senators, proved particularly relieving "saucers" for Goslin. In addition to his homer, a terrific drive that sailed on a line far into the right field stands, "Goose" brought Harris across in the fifth after a wild pitch had led to McNeely and started another two-run rally in the eighth with his fourth hit, scoring ahead of Joe Judge on Oscar Bluege's third safe blow of the game.

"Goose" spectacular slugging made him not only the hero of the day, but also the idol of the crowd, which, after his circuit clout, gave him an ovation scarcely less vociferous than that of his own followers after his first home run, a potent factor in Washington's triumph of Sunday.

Southpaw Baffled
Meanwhile the Giants were baffled by the southpaw shots of Mogridge, former New York Yankee moundman, who silenced the heaviest New York artillery with a pulsating change of pace and a tantalizing slow ball. For seven innings the McGraw men gathered but three hits when victory was within their grasp, due to an error and the other to a two-base blow by George Kelly, but in the eighth the southpaw developed a sudden streak of wildness and, despite a five-run lead, was hastily withdrawn by Harris after the first two men to face him had walked into this critical situation "stroads" "gripes" Marberry, hero in a relief role in the second game, but who started for the Senators and was hammered from the hill. Marberry, who apparently is only at his best when performing a rescue act, met and turned back a determined Giant attack in both the eighth and ninth innings.

First Inning
Senators—Jackson threw out McNeely. Senators—Jackson threw out, taking a third called strike. Frisch came in fast and took Rice's hupper, tossing him out. No runs, no hits, no errors. Giants—Lindstrom was given a base on balls. Mogridge seemed to have little command over the ball. It was a pitchout for Frisch. Frisch did not go down. Harris threw out Frisch. Lindstrom scored when Bluege took Young's grounder. Goslin wildly beat first base. McNeely took in Kelly's long fly, and Young went

SAM ("RUCKY") HARRIS
The playing manager of the Washington team of the American League, which has won its first championship in big league baseball. Harris, who is 22 years of age in November, was born in Buffalo in 1912. He is the youngest manager of any of the big league teams.

Harris threw out Terry at the initial sack. Lindstrom bunted safely. Rice took Frisch's fly. Young forced Lindstrom. Harris to Bluege. No runs, one hit, no errors.

Sixth Inning
Senators—Baldwin went into the box for the Giants. Bluege threw out left. Frisch went up a long fly to Wilson. Harris to Bluege. No runs, one hit, no errors.

Seventh Inning
Senators—Mogridge fanned, for the third time. McNeely got a two-bagger into left. Harris went to second on a hit, taking a ball behind second base and getting his man by a quick throw. Southworth batted for Baldwin. Southworth bunted up. The umpire ruled that it was a ball. The count was one and one on Jackson. Jackson went out to Judge. Unassisted. One run, no hits, no errors.

Eighth Inning
Senators—Dean went into the box for New York. Goslin singled into left center. His fourth hit. Judge singled into left and when Meusel juggled the ball Goslin went to third and Judge to second. Goslin and Judge scored on Bluege's single to center and on the throw in Bluege went to second. Ruel fouled to Kelly. Miller sent up a high fly to Frisch. Mogridge fanned for the fourth time. Two runs, three hits, no errors.

Ninth Inning
Senators—Young walked. Kelly sent a long fly to McNeely. Meusel walked. Mogridge was taken from the box at this stage and replaced by Marberry. Young scored on Wilson's two-bagger to right, but Meusel was caught at the plate. Rice to Harris to Frisch. Frisch to Bluege. The count was one and one on Jackson. Jackson went out to Judge. Unassisted. One run, no hits, no errors.

Tenth Inning
Senators—McNeely went out to strike. Jackson threw out Harris. Rice to Frisch to Kelly. No runs, no hits, no errors.

Final Score
Senators 7, Giants 4.
Harris, 2b. Frisch, 3b. Young, rf. Kelly, lf. Meusel, c. Bluege, p. Lindstrom, ss. Ruel, 1b. Judge, 1b. Miller, 1b. McGraw, m. Marberry, p. (relief).
Totals: Senators 7, Giants 4.

Senators—Jackson threw out McNeely. Senators—Jackson threw out, taking a third called strike. Frisch came in fast and took Rice's hupper, tossing him out. No runs, no hits, no errors. Fifth game, Wednesday, at New York, 2 p.m.

SOCCER LEAGUE WILL OPEN TODAY

TILLCUMS OPPOSE TEAMSTERS AT ROYAL ATHLETIC PARK
United Services Will Entertain Hudson's Bay at Work Point—Games Commence at 3 P.M.

The Wednesday Football League will get under way today for the fourth season, when the Tillcums will meet the Teamsters at the Royal Athletic Park at 3 p.m., with Alcock as referee. While these teams are fighting for soccer supremacy at the Athletic Park, the United Services eleven will entertain the Hudson's Bays at Work Point in a friendly game.

Only four teams will fight for the mid-week championship this year, instead of five as last season. All of the clubs have participated in this league before, but under different names. The United Services team, which this year is taking the place of the Garrison, present holders of the Penderay Cup, while the Tillcums name, as the name of Broad Street. Just what kind of material these teams are, no one is sure, but the Hudson's Bays quite a few of last year's players will again be seen in action this season. The Bays will again rely on the veteran goalkeeper, Shrimpton, to save the situation between the attack, while Gardner and McKay will play fullback. As a reference as to the remaining teams will find it anything but easy to penetrate the last line of defence in the Hudson's Bay claret.

The Teamsters, who last year made their debut in the Wednesday League, have a good line-up in quest of the mid-week championship. This season, last season this club made a good start, and gave the Garrison, league winners, some tough struggles. The most spectacular, which was perhaps the game on Thanksgiving Day, when these teams played to a 2-2 tie at Beacon Hill College, a crowd of six hundred people. This year the Redshirts have Tupman, of the Sons of England, playing centre half, and with such a man as this in the pivot position, the Teamsters' machinery should work nicely.

Today's line-ups are announced as follows:
Teamsters—Lomas, Gilbert, and Hay; McKinnon, Tupman and Rowan; Jeffries, Speak, Harper, McClimon and Davis.

Hudson's Bay—Shrimpton; Gardner and McKay; Ober, Pea and Anderson; Addis, Durrant, Tooby, Vetch and Stevenson.

The North Wards Football Club will hold a meeting this evening at 8 p.m. in the Metropolis Billiard Rooms. All players are asked to be present.

Sportive Punches

By the "Old 'Un"

Walter Johnson has a record as a baseball pitcher which is hard to beat. It is this: He never held out for more money, was never banished by an umpire, never disciplined by his manager, never participated in attempts at club schisms. No wonder the veteran is popular with the real fans.

The Ottawa correspondent of an American sporting journal declares that there is every indication of another coming onslaught on racing at the next session of the Canadian Parliament, which may result in the abolition of the sport.

He asserts that there are increasing evidences that the opponents of racing are gaining strength, and declares that they have enlisted the editorial support of the powerful Ottawa Citizen, one of the Southern string of newspapers in Hamilton, Winnipeg, Edmonton, Vancouver and Ottawa.

The Southams are alleged to have lined up with the Ontario Social Service Council and will support W. H. Good when he moves to have racing betting brought within the criminal code.

If we were asked what figure stood out most prominently as the most conspicuously superior to all others in his own line of sport, we should point to Mr. WILLIAM TILDEN, lawn tennis player.

A great English expert at playing and writing of the game said that Tilden's display against Johnston in the final round of the championship at Forest Hills transcended in speed, precision and dominance any exhibition given at any time on any court in the world.

He was meeting a Johnston who the previous day had taken sixteen games in succession from GERALD PATTERSON and who came into court against the champion cherishing the belief that he was going to take his measure.

But, on and on, the experts present, masters like NORMAN BROOKES and BEALS WRIGHT, voiced the opinion that no player of the past could have held against such tennis.

Mr. ROBERT HARRIS is a golfer of some reputation who is often praised for his "polished iron play," by golfing scribbles.

There is, however, one peculiarity about the said Mr. Harris, and that is that his polished iron play is produced with clubs which are kept deliberately rusty. He has six reasons for this, to wit:

1. A rusty surface grips the ball better than a smooth one.

2. It does not glitter in the sun.

3. The clubs do not need cleaning.

4. The face of the club does not get worn away by cleaning.

5. You can always identify your own clubs without difficulty.

6. Nobody is likely to want to "pinch" a rusty, uncleaned-for-looking club if it is lying about.

We hear a lot about the etiquette of the links. What sort of etiquette is it to stalk with a camera on the links a gentleman who has politely asked to be allowed to take a holiday, a well-earned one, and enjoy himself unmolested for a day or two?

A GIANT PITCHER
Jack Bentley, one of the pitchers of the New York Giants. He was purchased from Baltimore at a fancy price. On that point he alternated between the pitcher's box and first base, and was a success in either position. Bentley is big physically and a brainy player.

SURPRISES SEEN IN LADIES' GOLF

MEDALIST IS ELIMINATED IN FIRST MATCH ROUND
Four Uplands and Four Oak Bay Players Remain in Championship Flight of City Tournament

There were one or two surprises in the first round of match-play for the ladies' golf championship at Uplands Golf Club yesterday. The medalist, Mrs. Parry, was eliminated by her fellow club member from Oak Bay, Mrs. Armstrong. Mrs. Abel, the Colwood champion, was defeated by Mrs. Fairbairn, of Uplands, and Mrs. Paterson was also eliminated by an Uplands player, Mrs. Wilding. Mrs. Philbrick, a strong favorite to win the title, easily disposed of her first round opponent, by seven and six, and Mrs. Hutchinson also won by a good margin. There are now two Oak Bay players and two Uplands players remaining in each half of the draw. The results of yesterday's play follow:

Championship
Mrs. Armstrong beat Mrs. Parry, 6 and 1.
Mrs. Fairbairn beat Mrs. Abel, 2 and 1.
Mrs. Wilding beat Mrs. Paterson, 3 and 1.
Mrs. Kinloch beat Mrs. Pocock, 3 and 1.
Mrs. Hutchinson beat Mrs. Godfrey, 5 and 4.
Mrs. Philbrick beat Mrs. Ross, 7 and 6.
The defeated eight will form the first flight, the first round in which will be played at the University School Grounds, commencing at 1 o'clock.

Second Flight—First Round
Mrs. King beat Mrs. Mitchell, 4 and 2.
Mrs. Wilson beat Mrs. Lennox, 6 and 5.
Mrs. M. Wilson beat Miss Pitts, 5 and 4.
Mrs. Todd beat Mrs. Leeming, 6 and 5.
Third Flight—First Round
Mrs. Hepburn beat Mrs. Nickson, 4 and 1.
Mrs. Gladen beat Mrs. Jones, 2 and 1.
Mrs. Burton beat Mrs. Neworth, 4 and 1.
Mrs. Colborne beat Mrs. Green by default.

Fourth Flight—First Round
Mrs. Peirce beat Mrs. Gordon, 6 and 5.
Valuable deposits of kyanum and borate of lime and Epsom salts have been discovered in Nevada by use of the airplane.

Three-Quarter

The three-quarter line will be strengthened this year with the services of "Barley" Humber. Humber is one of the fastest wing men that the city has raised, and gained a position on the "rep" squad on his first appearance in senior company. Angie McInnes, "Benny" Bendroff and Elliott Tolly, all well-known players during last season, will complete the line. Don McLean and McMillan will again be the halfbacks, while Heck Godacre, of the Wanderers, will work at five-eighths. In the forward division the Bays will be particularly strong. Most of last year's players will again be on hand, and several of the younger players will be added. Among those who have signed up are Cecil Hay, Harry Smith, Bob Travis, John Johnson, McNeil, Walter Brynolf, Fraser, Tottle and Torrance.

The Oak Bay Wanderers have also a considerably strengthened team. Gilmer will again be at fullback, with Parker at halfback. Was Adams, who was absent during the end of last season, and who is one of the best three in town, will work on the line with Taylor, of the Garrison; John Shaw and Nairn Robertson. For the forward division, Colman, McLean, one of the University stars; J. Pemberton, Hardie, Wootton, Ross, Wilson, Christy, Allan, Tim Matson, Herriman and Carr-Edwards will be available. All of these players have been out working hard and are in splendid shape for the opening of the league.

Heavy Practising

Little could be learned of the Navy and Tillcums' lineups, although it is known that several familiar faces will be included. The Navy is held in daily practice at the Canteen grounds, and, if condition will bring victory, they should top the league. Most of last year's Garrison players will be on the team, including Russell, Kirk and Wingers; three of the "rep" players. The Tillcums, a new club in the league, have Harold Penney at the head, and under his capable management should turn out a strong outfit.

The Oak Bay Wanderers' intermediate team, which made such a fine showing last season, will have practically the same players. This lineup against the Bays for Saturday will be picked from the following: Matty Eason, fullback; Grubb, Oliver,

Rugby Teams Prepare For Opening Matches

Ten Fifteens Will Be in Action, Including Four Senior Teams—The Champion Bays Have Formidable Array of Players With Whom to Defend Their Laurels—Navy, Tillcums and Wanderers at Full Strength

THE ten senior and intermediate rugby teams that will play in the opening of the league here on Saturday, are rapidly taking form. Several of the teams have already picked their line-ups, and strenuous workouts are being held each evening. Two senior and three intermediate games are on the schedule and rugby enthusiasts are looking forward to one of the best seasons in the history of the game in this city.

At the meeting of the union, held last night, the finishing touches were put on for the opening, and nothing will be left undone to give followers of the game the best possible rugby. Mrs. J. H. Gillespie, wife of the president of the league, will officiate at the opening game between the Navy and Tillcums, and the association is expecting one of the largest crowds to watch the initial performances.

The Schedule
The two senior games on Saturday will be played at the Willow Park oval, the first, Navy vs. Tillcums, commencing at 2:30 p.m. sharp, and the feature game of the card between the J. B. A. and Oak Bay Wanderers, starting immediately after. Two of the intermediate games will be played on the Cranmore Road

McKeehan Cup Games
A general meeting of the local rugby body will be held next Tuesday afternoon in the offices of the secretary, Union Bank Building, to discuss whether or not there will be any McKeehan Cup games this year. All clubs are asked to be represented.

The Intermediate League will hold a meeting tomorrow night at 8 o'clock in room 220 of the Central Building, for the purpose of completing the arrangements for the opening day. All clubs are asked to be represented.

The following are the games for Saturday:
Senior—Navy vs. Tillcums, at Willow Park, 2:30 p.m. Referee, G. C. Grant.

J. B. A. vs. Oak Bay Wanderers, at Willow Park, immediately following first game. Referee, Bill Ellis.

Intermediate—Navy vs. Victoria College, 2 o'clock. Referee, C. Sanson.

J. B. A. vs. Oak Bay Wanderers, 3:30 p.m. Referee, C. Stewart.

Normal School vs. Brentwood College, at 3 o'clock, at University school grounds. Referee, G. Campbell.

NANAIMO FOOTBALL PRIZES PRESENTED

Cups Also Presented to Officials by Players as Testimonials for Services in Last Season

NANAIMO, Oct. 7.—The South End United Football Club, winners of the O. B. Allen Cup, assembled at the Nanaimo Hotel on Saturday evening to celebrate their victory and also for the presentation of medals accompanying the same to the players of the team. A sumptuous repast, prepared by Mrs. Gordon, the proprietress, was much enjoyed by those present, and full justice was done to the many delicacies.

Mr. Joseph Sutton made a very efficient chairman, and after a few brief remarks, called upon Mr. Hugh Mason for a plan and report on the programme, the balance of which was composed as follows: Solo, Mr. Pat McAlpine; quartette Messrs. T. Thomson, H. Hildy, J. Hart, H. Crellin; remarks, President O. Mottingham of the M. J. F. A., and Mr. Carter; presentation of medals by Mr. John Smith; band; Epiphany; remarks, Secretary Hildy; of the U. L. G. Hoard; humorous solo, Mr. Carter.

Among the special events of the evening was the presentation of private cups from the players of the club to their manager Wm. Hancock, and Secretary J. P. Watson, for their services during the past season. Mr. Hancock made a very appreciative reply. The secretary was not able to be present, owing to his being transferred to Sidney some time ago and he could not make the trip up for the evening's festivities. The presentations were made by President George Porter who remarked upon the valued service of these members of the executive. Nelson Wilson, who is now playing for the Vets team, was presented with a hat by Mr. John Hunt, to commemorate his scoring of five goals in the Provincial final here last Spring against the North Vancouver Excelsiors.

Those to receive medals were: Wm. Hancock, manager; Thomas Dawson, Ralph Hancock, Robert Thompson, J. McCourt, Clyde Ross, H. Crellin, John Randian, Nelson Wilson, Geo. Wyse, Leonard Sandland, Alfred Hancock, Stanley Tall, Nelson Shepherd, Samuel Twillin, Joseph Sprunt, Charles Courtney, (capt.) and Thomas Sandland. A medal was also presented to Mrs. Abraham Sand

NAVY LEAGUE HOLDS TAG DAY NEXT WEEK

A tag day for the work which is being so successfully carried on by the Navy League of Canada in Victoria, has been appointed for Saturday, October 18, the nearest Saturday to the anniversary of that great event in the annals of the British navy, the Battle of Trafalgar.

The wonderful protecting arm of the navy was brought home to the citizens of Victoria by the recent visit of the most powerful British fleet ever seen in Canadian waters.

The remarkable welcome extended to the special service squadron throughout its Empire cruise spoke in no uncertain manner the gratitude of the people comprising the English speaking nations within the British Empire.

The Victoria Branch of the Navy League, therefore, in making its annual appeal to citizens this year, looks for a great public demonstration of practical appreciation of the work being done by the Navy League of

At the Playhouses

PLAYHOUSE "The return of the real story of love to the screen," is the way in which picture-reviewers everywhere have unanimously been describing Doris Keane's wonderful success in "Romance," the United Artists Corporation's production now showing at the Playhouse Theatre, which was written especially for Miss Keane by Edward Sheldon. It is said to be full of poetic imagination and charming sentiment, while the love romance of the prima donna and the clergyman is as novel and unusual as its very mention suggests. Miss Keane as the sparkling grand opera star, Mme. Cavallini, is credited with an absolutely new success, one that puts her in the front rank of screen artists and which, has won for her the enviable reputation of being the greatest emotional actress on the screen, as well as on the stage.

COLUMBIA "Dorothy Vernon of Haddon Hall" will be shown today at the Columbia Theatre, and to Miss Dorothy Vernon of Haddon Hall, a United Artists attraction is to miss the treat of the season.

COLISEUM Harold MacGrath, author of "Drums of Jeopardy," now playing at the Coliseum Theatre, and the winsome Elaine Hammerstein plays the leading role. He is a writer of international repute. He is the author of numerous short stories and novels, which, almost without exception have been successful. "Drums of Jeopardy," in addition to being published as a novel and proving to be one of the "best-sellers," was first issued as a serial in The Saturday Evening Post, creating an unusual stir in the literary and reading circles upon its publication. Cast in the photoplay version in support of Miss Hammerstein are Wallace Beery, Jack Mulhall, David Torrence, George and Eric Mayne. The picture was produced by Stuart Films.

DOMINION Clarence L. Brown, director of "The Aquitani" and other big pictures, believes in surrounding the star with the best cast available. No better instance of this may be found than "The Signal Tower," Virginia Valli's new Universal-super-jewel starring vehicle, which is now showing at the Dominion Theatre. Rockcliffe Fellowes, remembered in "Trifles" with Honor and other notable pictures, plays opposite her as her husband, the human menace, James O. Harrow, chosen for a leading role in Mary Philip's new Universal starring vehicle "The Gaiety Girl" and Farrell McConnall, another well known character actor man are in the cast. Also, Dot Farley, who will be remembered for her work in "The Aquitani," Frankie Darro, the latest "find" in the juvenile actors, plays the small son amid the story's meliorism of human emotions.

CAPITOL Tom Mix in "The Last of the Duanes" is now showing at the Capitol Theatre. This production, with the famous William Fox star, is a pictureization of Zane Grey's tale of the same name with scenes laid in Texas in the days of border outlaws. Tom Mix never has been seen to better advantage in a Western character role than in his portrayal of Buck Duane, son of a feudist. "The Last of the Duanes" is a story of a young Texan refuses to fight until forced to kill a man in self-defence. He then becomes an outlaw until, through the love of a girl, he receives a pardon on condition that he help clean up a leading band of cattle thieves. Marlan Nixon, as the girl, is fine, both as an actress and as a feast for one's eyes. Tom Mix should keep this leading lady in his pictures, for she is a splendid complement to the Western star.

ENGINEER PROMOTED
PARKSVILLE, Oct. 7.—Mr. W. P. Bevan, road engineer of the Alberni district, was the recipient of a handsome silver cigarette box, suitably engraved, at a dinner given in his honor at the Sunset Inn, Qualicum Beach, last week by the Public Works road staff on the occasion of his leaving the district to take up his duties in Courtenay.

Mr. Rumby, of North Wellington, made the presentation and expressed everyone's regret at losing so capable and popular a man from the district. Mr. Bevan suitably replied, saying he was sorry he was to leave the district and all the friends he had made, and hoped that he would have many opportunities of meeting them again from time to time. Mr. Rigwood, Mr. Bevan's successor, hoped that the same good feeling and co-operation would be maintained in the future as it was in the past.

During dinner a telegram was received from Mr. A. W. Neil, M.P., congratulating Mr. Bevan on his good work in the district. Songs were sung by Messrs. Rushton, Sanders, Alexander, Pettigrew, Rigwood and Bevan, and were much enjoyed. Mr. W. Johnson made an excellent accompanist.

Among those present were: Messrs. Pease, Rigwood, Calhoun and Patterson, from Alberni; Mr. McEwen, from Hilliers; Mr. West, from Combs; Messrs. G. Parks, E. C. Butler and Alexander, from Errington; Messrs. Rumby and Tolson, from Wellington; Mr. Douglas Shaw, from Big Qualicum; Mr. J. Stewart, from Nanaimo; Mr. Harry Lee, from French Creek; Mr. Sanders, from Qualicum Beach; Messrs. Trill, Pettigrew, Johnson, Rushton and Weld, from Parksville.

LIBRARY FLOURISHES
SHAWNIGAN LAKE, Oct. 7.—At the monthly meeting of the Shawanigan Lake Women's Institute it was reported that the Shawanigan Lake Public Library was progressing splendidly, each month bringing new subscribers.

A resolution regarding the issuing of drivers' licences to all drivers of automobiles was moved by Mrs. Goodrich. Mrs. Christie was appointed delegate to attend the district W. I. Conference at Victoria October 8-10. A demonstration of the best methods of drawing chickens is to be held at Lt.-Col. H. H. B. Cunningham's home October 23.

An impromptu debate on town vs. country life was enjoyed by the members, almost everyone participating. After a refreshing tea had been served by Mrs. Goodrich and Mrs. Stevenson, the meeting dispersed.

CLAIMS ENERGY IS DISEASE CAUSE

SICKNESS DUE TO EXCESS OR SCARCITY, SAYS DR. JORDAN

Addresses Meeting at Chamber of Commerce on "Health Without Drugs"—Scuffs at Germs

Energy in the human body as a basis of disease was discussed last night by Dr. A. McKay Jordan, of Vancouver, who addressed a meeting at the Chamber of Commerce on the subject, "Health Without Drugs."

Dr. Jordan scoffed at the germ theory of disease. All sickness, he said, was caused by either an excess or a scarcity of energy in the body.

Unfortunately, he declared, scientific men in the past had begun their analyses through the medium of subdivision. They had taken the body and divided and subdivided it until they had buried the true facts under a mass of their own data. He himself had taken the findings of those men of science and had co-ordinated them.

The eye was the first organ to form the embryos of both animals and human beings. He had begun his studies with the eye. Twenty-eight years ago a new revelation had come to him. He had discovered that the eye received its energy from

Bovril makes food feed you more

without and not from within. He then had found that the same was true of the human body. The latter without life was a static machine. With life it was a dynamic machine.

Energy, Dr. Jordan said, entered the body through the eyes, the nose, the ears, and the skin as receiving antennae. It was transmitted to the brain through the sensory nerve. The brain directed and controlled this energy. It delivered the force to the muscles, to the capillaries, causing them to contract or to expand. According to that expansion or contraction the body was healthy or otherwise. If the energy reached every muscle, every tissue, every capillary in the body in normal quantity, causing equal contraction and expansion, health would ensue. If too little energy was delivered to certain organs they could not function properly, the blood would become sluggish and decomposition would follow. Germs would be the result.

A boil on the back of the neck was not a disease. It was the effect of a disease. The disease was the blocking of the normal flow of energy to the back of the neck. This caused enervation, decomposition, and the boil was the result.

Year caused more deaths than all the diseases ever named, Dr. Jordan declared.

The speaker was introduced by Mr. J. A. P. Cayley, well-known local lawyer, who styled Dr. Jordan one of the most misunderstood men of this epoch. Mr. Cayley reminded the audience that most great discoveries in science had started a flood of destructive criticism and denunciation. He alluded to the persecution of Galileo and of Jesus of Nazareth.

Miss Claire Powell delighted the audience with a selection of dramatic recitations, to which she played her own accompaniment. Her numbers were enthusiastically enjoyed.

Labor Party Refuses Communist Affiliation

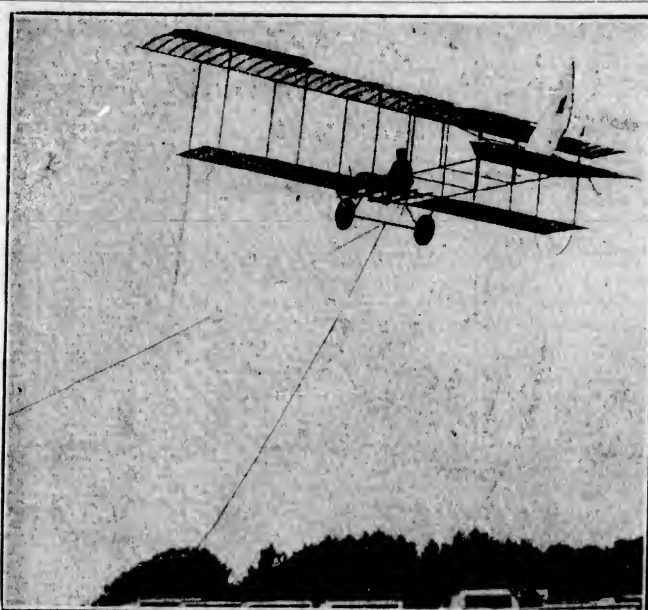

LONDON, Oct. 7.—The application of the Communist Party for affiliation with the Labor Party was rejected by an overwhelming vote at the annual Labor Party conference today. A recommendation that no member of the Communist Party should be eligible of endorsement as a Labor Party candidate for Parliament or for any local office, was carried by a heavy vote.

Spanish Pretender's Marriage

MADRID, Oct. 7.—Rumors of Spanish aristocratic circles are to the effect that Prince Jaime of Bourbon, pretender to the Spanish throne, may marry his cousin, Blanca Bourbon de Leon. The young woman belongs to the Spanish royal family. She is well liked at the royal palace. If the marriage occurs, it is said Prince Jaime will renounce all his rights to the throne.

Pay Roll Bandits Get \$25,000

DETROIT, Oct. 7.—Armed bandits, in a series of holdups today, obtained three pay roll satchels containing approximately \$25,000.

SCHOOL ESTABLISHED IN FRANCE FOR INSTRUCTION IN GLIDING

The French Government has established a school for the encouragement of gliding. One of the features is a trial of a new type of glider, which was made to fly up from flat ground with the aid of a rope being pulled on it from either extremity.

Wins \$1,000 Physical Culture Prize at 65

Dr. Robt. G. Jackson, of Toronto, "Youth at 65" won the annual \$1,000 first prize offered by Physical Culture Magazine for the best story of health restoration through natural means.

Dr. Jackson is rated as 98% perfect physically, a perfection that athletes rarely attain at any age, yet at 55 he was a physical nonentity—a wreck.

Authorities have claimed that a man cannot develop muscles after 45, yet Dr. Jackson, between 55 and 65, has developed muscles and a general physique that any youth would be proud of, and such as not one youth in 5,000 possesses at any age.

Dr. Jackson says:

"Any man can do what I have done if he eats the proper body-building foods."

Dr. Jackson says:

it was Roman Meal and milk, lots of both, that built him to his physically perfect state, and it will do as much for any man or woman who will use it consistently through a period of months or years, "if there is no

malignant or advanced organic disease."

Roman Meal is whole wheat, whole rye, flax and bran, a food supplying every element needed by the body and nothing at all not needed by the body.

Dr. Jackson proved its unequalled food value by beating a man of 35 in a 1300 mile bicycle contest in April and May, 1924. Dr. Jackson at 65, though living almost entirely upon Roman Meal and milk during the entire 39 days, simply ran away from his young challenger.

Roman Meal prevents indigestion and positively relieves constipation.

Keeps the Family Fit. At All Grocers.

Victoria Machinery Depot Is Awarded \$125,000 Repairing Contract by Pacific Salvage Company

WILL EITHER SELL OR OPERATE VESSEL

Is Biggest Job for Local Yard This Year—Will Last Forty Days, and Means Employment for Many Men

Entailing the expenditure of \$125,000 the Pacific Salvage Company yesterday announced that the contract had been let to the Victoria Machinery Depot to overhaul and condition the Norwegian freighter Tatjana, which for some months has been lying at the Chemical wharf, where she was brought after being salvaged from Village Island, where she went aground last February 27.

This is the biggest contract that has been awarded a local yard this year and will mean the employing of many men. The Victoria Machinery Depot, it will be remembered, entered the lowest bid for a local yard when tenders were called last spring.

Forty Days' Work
The repairs have been ordered by the Pacific Salvage Company with a view to selling the vessel when she is conditioned, or operate it themselves. The job will probably take some forty days and will most likely be in charge of Mr. W. J. Birnbaum, the V.M.D. announced yesterday.

The work involves the installation of some 110 new plates, ten keel plates and the straightening of some 200 frames, in addition to taking out many bent plates and rolling them straight.

Some conception of the damage done to the Tatjana when she went ashore at Village Island last February and was practically given up as a total loss may be gained in the accompanying picture. There are large dents and rents in the ship's hull and side, the largest being some twenty feet long and fourteen feet deep.

Record Year
The vessel will be floated into dry-dock shortly and work commenced right away. The repairing of the Tatjana here, the Martha Hemmuth recently, and Captain Bequith's freighter Famous, for which tenders will be called shortly, brings this year's ship repairing work far above last year's. The ship repairing business in this city has already passed last year's mark, owing to a busy three months the early part of this year. With the completion of the Tatjana and the Famous, a record year for repair work is expected to be established.

Huge Dent in the Tatjana's Hull

The above picture shows one of the large punctures in the hull of the Norwegian freighter Tatjana, which will be repaired here. The above dent is twenty feet long and fourteen feet deep. The blocks in the centre of the dent are the casing put over one of the rents to stop leaking. There are several other dents almost as large as this one.

LAKE OF THE WOODS PROFITS ARE STEADY

Record Volume of Operations Last Year—Shareholders Gratified at Financial Showing

In a year marked by rapid fluctuations in the wheat market and narrower profit margins, the total output was the largest in the history of the Lake of the Woods Company. Its balance sheet, covering the twelve months ended August 31, 1924, was gratifying to the shareholders.

erating expense and providing for doubtful accounts and income tax, amounted to \$740,767, as compared with \$732,318 in 1923-24. Depreciation of \$100,000 was allowed on the Lake of the Woods property and \$15,000 on properties of subsidiaries.

After providing for payment of dividend on preferred stock, there remained available for the common shareholders the sum of \$520,767. This is equivalent to 14.87 per cent on the common shares as compared with 14.86 in 1923-24 and 13.8 per cent in 1921-22. Distribution of \$420,000 among the common shareholders left a balance of \$100,767, out of which \$50,000 was used to set up a fund for employees' retiring allowances.

Will Cost \$125,000 to Be Reconditioned

The above picture shows the Norwegian freighter Tatjana as she appears alongside the Chemical Wharf. The Pacific Salvage Company's steamer Salvage Chief is shown alongside of her. This vessel will cost the company \$125,000 to repair, and the Victoria Machinery Depot has been awarded the contract.

Marie Prevost to Remarry
LOS ANGELES, Oct. 7.—Marie Prevost, motion picture actress, from whom the Superior Court today granted L. E. Gerke a final decree of divorce, will be married next Saturday to Kenneth Harlan, also of the screen, it was announced here tonight.

RAW SUGAR
NEW YORK, Oct. 7.—Raw sugar, 6.03; refined granulated, 7.15 to 7.50.

After a depreciation allowance, the net profits are well maintained, in fact slightly higher than for the preceding year. This is largely due to there having been no bond interest to provide for the 1923-24 period. Property account has been added to substantially, despite the depreciation written off. During the year eight new elevators have been built at country points, some of the old ones repaired in first class condition, and the wheat storage capacity at the Medicine Hat mill doubled. Profits, after deducting for all op-

lowance, surplus of \$50,767 was carried to credit of profit and loss, which account now stands at \$1,579,541.

Big-General Meighen, president and managing director, has called attention to the fact that new companies are entering the field and that closer competition must be expected in the future, but has voiced his confidence in the ability of the company to maintain its position both in domestic and foreign markets.

SILK MARKET IS NOT IN DANGER

ARTIFICIAL SILK WILL NOT AFFECT MARKET
Demand for Substitute Is From Class That Cannot Afford Genuine, Says Mr. N. Sashihara

"Artificial silk can never be mistaken for the real silk, and if prices remain conservative for worm silk, there need be no severe competition between them," stated Mr. N. Sashihara, one of Osaka's leading silk exporters, who is en route to New York on business and passed through Victoria on the Arisano Maru yesterday afternoon.

"Artificial silk may be simply regarded as a new textile fibre which has its own special field and will never replace the soft, artistic textured worm silk, with its coarser and cruder and over-lustrous surface," he continued, when asked what effect the demand in America for artificial silk would have on the Japanese market.

It had been reported that Canton would take a large portion of the silk trade away from Japan, but the exporter pointed out that this would only be of the artificial class and that the worm silk would still retain its position on the New York market. "It goes without saying that there will be a brisk demand for artificial silk, but this is from that class of people that cannot afford to purchase the genuine article."
